ST. ANN'S SEWING ROOM.

The Sisters of the Congregation take this opportunity of announcing that they will re-open their Sewing Room, in the St. Ann's Schools, on Thursday, September 5, 1865.

The object of this establishment is to instruct young girls, on leaving school, in Dress making in all its branches, and, at the same time, protect them from the dangers they are exposed to in public factories.

Charitable Ladies are, therefore, requested to patronise this institution, as the profits are devoted to the benefit of the girls employed in it. Sept. 7, 1865.

MR. WILL AM DALY, from the County Armagh freland, will hear of something to his advantage by applying at the Office of this paper. Sept. 6, 1865.

THE MOST IMPORTANT ANNOUNCEMENT BINCE THE

SURRENDER OF GENERAL LEE, is that of M'GARVEY'S determination to REDUCE the Price of his entire STOCK

FIFTEEN PER CENT.

THE Subscriber, in returning thanks to his Friends and Uustomers for the liberal patronage extended to him during the last 15 years, wishes to inform them of the extension ot his SHOW ROOMS and STOOK during the past winter, in order to supply the increasing demands of his business, and especially since his removal to the new buildings, notwithstanding the reports that some of his rivals in trade have endeavored to circulate of his having been sold out and left the place. These statements have been made to many of my customers with the hope that they would take no further trouble in finding out my new place of business. These and similar contemptible statements, which I consider too low to take further notice of, have induced me to make a few remarks. First, I would say that I am not sold out, neither have I left the city, but can be found any time during business hours at my new warerooms, Nos. 7, 9, and 11 ST. JUSEPH STREET, second door from M.GILL STREET. I call on any party in Oadada or the United States, from whom I have purchased goods since my commencement in business, to say it I owe them one dollar after due or ever had an extenual or renewal during that time .--If those parties would only devote their time and attention to business as I have done, they would not have to resort to such contemptible means of getting trade. Seeing the desire that exists with a portion of the trade to run me off the track, I am now aroused to a new emergency, and determined to reduce the prices of my goods at least FIFTEEN PER CENT., which the advantage of the largest and best adapted premises, together with getting up my stock entirely for cash during the past dull winter, will justify me in doing, having given up importing Chaics and Furniture from the States for the last two years, and engaged largely in the manufacture of Cane and Wood Seat Chairs and Furniture of every description, and made the Chair business a very important brauch of my trade, having now on hand over 11,000 Gane and Wood Seat Chairs, of 32 dif-ferent patterns, many of which are estirely new styles. My prices will be reduced on and after Monday, the 17th instant, as follows :- Wood Seat Chairs formerly 35 cents, will be sold at 30 cents, and every other kind of Wood Seat Obairs will be reduced from 5 to 10 cents, large Rockers, with arms, \$1,15, former'y \$1,30, and every style of Cane Seat Obair will be reduced from 10 to 25 cents. The naual line o discount will be allowed to the trade and all wholesale customers. To enumerate my stock would be useless, but I will give an outline of my new budings and a few leading articles of stock. My present SHOW ROOMS were built by myself in my present Show actions were built by information of the most ex-1863, with every facility for carrying on the most ex-standay, at SIX o'clock P.M, precisely, stopping, tensive wholesale and retail furniture business in going and returning, at the Ports of Sorel, Three tensive wholesule and retail furniture business in Montreal, and is 60 feet front by 97 feet deep. The first floor is used for book and Library Oases, from \$25 to \$100; Wardrobes, \$20 to \$90; Dining Tables \$10 to\$50; Bureaus, \$10 to 30.; and various kinds of weighty and bulky, goods. The second floor for the display of fine Parlour, Dining and Chamber Suites, from \$60 to \$250 ; Fancy Chairs, What-nots, and such other light goods. Also, Solid Mahogany, Walnut, Uak, Ash and Chesnut, with walnut carv-ing, and marble and wood tops. Painted and Grained Suites, in all the differnt imitations of wood and ornamental colours, with wood and mutble tors, varying in price from \$16 to \$75; Hair Mattrasses, from 20 to 50 cents per lb; Geese and Poultry Feathers, from 25 to 75 cents do.; Moss, Husk, Sea Grass leave Sorsl ev and other common Mattrasses, from \$2,50 to \$6 each o'clock A M. 30 hour and eight day Clocks, from \$2 to \$15 each ; Gilt Rose wood, Mahogany and Walnut Toilet Glasses, from \$1 to \$25 each, - with every article in the Furniture line a equally low prices. A large supply of solid Mabogany and Vineers of all sizes and other Cabinet Lumber kept constantly on hand; with Ourled Hair, Webbing Springs, Glue, and every ar-ticle in the trade, which will be sold at the lowest prices for eash, or in exchange for firstclass furniture in order to avoid the necessity of having to sell surplus stock at suction. I have always adopted the metto of quick sales and light profits, which has secured for me a steady trade at the dullest season of the year. To those in want of furniture I would say don't take my word, but call and examine the stock and prices before purchasing elsewhere. If not for my late removal, and the statements above alluded to, I would consider the present notice entirely onnecessary: TERKS -- Under \$100, strictly cash'; \$100 to \$400, three months; \$400 to \$1000, four to six months; by furnishing satisfactory paper.

BDARDING SCHOOL FOR YDUNG LADIES, HELD BY THE GREY SISTERS, CONVENT OF OTTAWA.

UNDER THE PATRONAGE OF HIS LORDSHIP THE RT. REV. DR. GUIGUES.

THIS Institution, established some Twenty years ago, is well calculated by its position between Upper and Lower Ganada, to afford the greatest facilities to French and English Young Ladies, for acquiring a complete knowledge of the French and English languages

Nothing has been neglected that could contribute to attain this double end ; and the ample and nonorable testimony constantly rendered, proves the effort to have been successful.

Among many means employed to develope the incellect and cultivate a literary taste, are a well re-gulated Post Office and a Weekly Newspaper, edited exclustvely by the young Ladies.

In the Commercial course a practical emulation is excited by a Bank and Commercial Rooms, in which business is transacted in both languages.

It is a particular point of the rule that some of the recreations of the day are, each alternate week, strictly French, or entirely English, for those who are capable of speaking both languages.

Those who study Music will find everything that could secure them rapid and brilliant success; for this, it suffices to say that no fewer than Six Teachers are devoted to this Department, which embraces the Harp, Piano, Guitar. Melodeon, Organ, &c.

A similar number of Mistresses preside over the different kinds of Painting in Oil, Pastille, Poonah Painting, and the different kinds of drawings, Embroidery, Wax Work, Artificial Flowers, &c. The Ornamental is not permitted to supersede the use. ful; for all the pupils are obliged to learn the theory and practice of Domestic Economy.

No distinction of Religion is made in the admission of Pupils. Children of different denominations, though obliged to conform strictly to the order of the House, are not required to assist at the Religious exercises of the community.

Oirculars containing particulars can be obtained by addressing the Lady Superior. The Classes will re-open on the First September. Ottawa, Aug. 10th, 1865. 3.m.

AYER'S PILLS.

ARE you sick, feeble and complaining ? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to perious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors - purify the blood, and let the fluids move on upobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not re-lieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Comploints, Indigestion, Derongement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers ; indeed, for the whole class of diseases originating in biliary de-rangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are al-ways made up to the original standard, of highly invigorating material and of pure quality, although

the prices have so largely advanced," & c. The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

NEW BEDFORD, MASS., Nov. 24, 1863. Dear Sir :- I have been afflicted mapy years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully, JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq, of 159 West 14th Street, N.Y. says, 'he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eightsen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantatio- Bitters in bulk or by the gallon is an impostor. We sell it only in bottles.

Sold by principal dealers throughout the habitable . . . globe.
