

SPECIAL NOTICE !

The **VULCAN PORTLAND CEMENT CO.** has published a handsomely illustrated sixty page book:

"Portland Cement Sidewalk Construction"

This is one of the most practical and comprehensive books of its kind ever written, and should be in the hands of every **City Engineer, Architect, Paving Contractor, Property Owner**, and in fact everybody who might be interested in laying concrete sidewalks, as it contains not only complete specifications, but also numerous illustrations of work laid all over the continent, showing various failures, their causes, how to avoid them, etc., etc. Write to-day and get one

POST PAID FREE.

WM. G. HARTRANFT CEMENT CO., LIMITED

MONTREAL, P.Q.

"VULCAN" is absolutely the best cement for sidewalks. Strong, finely ground, sound and uniform in color. There has never been a barrel rejected on any work or any cause whatever.

THE OLD RELIABLE

THE CANADIAN STANDARD

STAR PORTLAND CEMENT

The Oldest and Highest Grade of Canadian Artificial Portland Cement Made.

STAR has been used during the past twenty years more widely and more largely than any other single brand, either domestic or foreign, in the best classes of hydraulic and other structural work throughout the Dominion.
