FRAGRANT

Vanity Fair Smoking.

In placing this new Tobacco before the public, we do not propose to disclose our special claims and improvements, for the reason that in every instance where we have introduced new articles, it has been the custom of manufacturers of inferior productions to adopt our precise claims to obtain notoriety. We will, however, make one broad assertion, that no tobacco has ever been produced possessing so many valuable requisites.

The standard of our world-wide and reliable brand,

VANITY FAIR

will ever be maintained, and such improvements added from time to time as are the result of our unremitting efforts to place upon the market a Tobacco which shall meet all the demands of the connoisseur.
