

Employment

14. Non-Dutch employees of international organizations in the Netherlands who do not carry diplomatic status, will be - as a matter of routine - granted work and residence permits for the duration of their employment in the Netherlands.

15. Family members of persons working at the Organization who have the nationality of one of the member States of the European Community may take up employment in the Netherlands. Members of the family who do not have the nationality of one of the member States of the European Community may take up employment subject to the requirements of the labour market.

General conditions relating to the Netherlands bid

16. The Dutch bid applies if the Organization is to remain in The Hague throughout its existence.

17. Property, furniture, equipment and other items that are made available will remain the property of the supplier and/or the Netherlands.
