

3. This section is intended to amend section 15 of the Act in order to bring it into line with the new system of inspection and marking to be instituted, by providing penalties for altering, destroying, erasing, etc., any marks placed on the containers by the inspecting officer.

4. This section provides for the amended Act coming into force on January 1, 1932. This date is considered to be the most suitable and convenient for the inauguration of the changes, as it comes between seasons, and will allow of sufficient time to make the industry fully acquainted with the changes required, before the beginning of the 1932 season.
