Dear Mr. Hair:-

I beg to acknowledge and to thank
you for your letter of December 27th.

It is gratifying to observe that
the City Council are willing to work with the Last
Post Fund organization.

In accordance with our conversation
of this morning I have reserved the evening of
Friday, the 18th of January, for the meeting of our
Executive. Will you please come to my office that
afternoon in order that we may go over together the
Agenda for the evening.

Yours faithfully,
