Dr. David S. Likely,
180 West 59th Street,
New York, N.Y.

My dear Dr. Likely:-

Thank you for your letter of
February 4th.

As you know I am speaking in Providence on the evening of Thursday, the 12th. The next day I shall go on to New York, arriving there some time in the afternoon. I shall go immediately to the Hotel Belmont. I am hoping that Lady Currie will be with me, though at the present time she is laid up with grippe but possibly she may be well enough to travel in five days. I am very glad to know that Dr. R. Tait MacKenzie is attending the function.

Would it be possible for you to arrange a screen and a lantern and I might bring down with me some views of McGill shewing latest developments and improvements. Probably this would be more interesting than anything I could say.

Yours faithfully,

Principal.
