## Theatrical People

Are pretty good judges of Furs. Visiting nearly every city in this country each year, they have opportunities for observing style, quality and prices possessed by the people of no other profession. It is a fact that many performers whose companies are booked to play London postpone their purchases until they get here, when they promptly start for our store.

That is the assurance when you sip a cup of our Mocha or Java at 40c. per lb. The very flavor is enough to make you smack your lips, and if you were to pay double the price, quality could not be higher. The same can be said of our Teas also, as the following list will show:

Club House	50c.	"	65c
Five O'Clock Tea	40c.	"	50c

## IT NATURALLY FOLLOWS

That you have to pay more in the large stores. Large profits are required to pay high rents, etc. My place is small, rent low and profit meagre, but my work will compare favorably with the best. If you have your own cloth, bring it along, and I will make it up in the best possible style, and the cost will be reasonable.
