Nephew. He was up against that good filly. Southern Maid and The Usher, but that made no difference. He just ran Southern Maid to the ground. The Da-vies filly at no stage could get her nose in front, and she was easily beaten at the end in .59 4-5, which equaled the track record. Little Nephew looks about the best two-year-old shown around these parts in years. Only two favorites won, but the win-ners were well played and the public had a fair day with the books. All to-gether the racing was good and keen, and a good week's sport is promised, judging from the number of good horses at the Hamilton track. **GOES TO BUSKIN** Kleburne Is Second and First
