

What does your mirror say?

Does your mirror show that you are keeping your skin soft, smooth and clear?

A pure, free-lathering soap — like Fairy — cleanses perfectly and rinses off thoroughly.

Choice, balmy oils are “mellowed together” in Fairy Soap — blended, in every pure

process of its making, for the particular care of the skin.

Perhaps you don't realize how helpfully Fairy Soap deals with tender complexions.

Make friends with Fairy Soap. Buy several cakes. Use “Fairy” regularly, thoroughly. Make your mirror reflect a soft, clear, glowing skin.
