DEMAND QUITE STRONG IN BUTCHERS' STUFF

Best Handy Weights Have Been Particularly Active for the Entire Week.

LIGHT SHEEP STEADY

Sold Up to Seven-Fifty Per Hundred — Yearling Wethers Are Offered.

Receipts of live stock at the Union Stock Yards on Thursday were 44 cars, 142 cattle, 566 hogs, 111 sheep and lambs, 5 calves, as well as 540 horses in transit.

Butchers' cattle—The market closed strong at the advance noted in the early week. Two cars of 1020 to 1070-lb. well-finished steers sold out of Corbett, Hall and Coughlin's consignment at $7.75 per cwt. The demand all week for the best handy weight butchers' steers and heifers has been very strong, but it would not be advisable for shippers to count on these values next week, as with Christmas trading over the market may not stand up under anything like reasonable receipts.

Stockers and feeders—Closed slow and steady. Only about 150 head changed hands this week at $5.50 to $6.50 for medium to choice steers.

Milkers and springers—There were not enough to make a market and only one or two buyers operated. Prices were quoted as steady. The same may be said of the calf trade.

Lambs—Active and hardly steady, with $10.60 as the top price. Several yearling wethers brought $8.75. Light sheep are steady at $6.75 to $7.50, with culls and common at $4 to $6.

Hogs—Trade was very unsettled at the close, sellers holding out for $9.25 and buyers in general offering $8.75. A happy medium was struck towards noon and the bulk sold at $9, fed.

WINNIPEG GRAIN MARKET.

WINNIPEG, Dec. 23.—The Winnipeg market was broad and strong today, opening unchanged to ⅞c higher; Winnipeg fluctuated 2c for Dec., 2¾c for May, and closed 1c to 2½c higher.

The feature was steady strength. Reactions were comparatively small, while in view of the receipts, congestion of all-rail movements and the near approach of the holidays, the strength was phenomenal. The close was very strong in tone in all the markets.

Cash wheat at the close was the December price for No. 1 northern and 3c under for No. 2, January delivery, same basis.

There was a good demand for oats, especially for all-rail shipments, and one house with contracts for the Dominion Government was reported as having bought 1,000,000 bushels in the last two days. The close showed a gain in Winnipeg of 1c to 1¼c and the spread between December and May 2¾c.

LONDON WOOL SALES.

LONDON, Dec. 23.—The wool auction sales closed today with offerings of 9300 bales. The demand was strong and prices were firm.

The series opened with values higher and prices steadily advanced, principally on home and Russian and occasionally American support. War orders and small supplies of raw material were the main factors and prices closed 10 to 15 per cent. dearer for merinos and cross-breds. Exceptional lots were often 20 per cent. higher. During the sales the home trade bought 80,000 bales, France and Russia 11,000 and America 4000. Ten thousand bales were held over.
