

JEANNETTE.

Dis worl' is funnee—so is life also;
De t'ing dat make us move from day to day,
Dat tell us w'ere for stay and w'ere for go,
De Rockee Mountain or to James hee's Bay;
Or 'way up Nort' to de far Arctic Sea,
W'ere w'aler ship do jus' de same as bear
An' sleep de winter t'rough; or it may be
For stay at home an' be one farmer dere.
