

**RESOLVED**, That the right of originating Bills of appropriation of public money, belongs solely and exclusively to this House.

**RESOLVED**, That this House are astonished that the Honorable the Legislative Council, have passed Resolutions, and adopted Rules, which affect the Constitutional Rights and Privileges of this House, without having heard the reasons to the contrary which might have been given on the part of this House.

**RESOLVED**, That the said Resolutions have been adopted by the Honorable the Legislative Council, without any difficulty or dispute having arisen between the said Legislative Council and this House respecting the matters therein set forth, and that the said Resolutions adopted gratuitously and unnecessarily by the said Legislative Council, are of a nature to retard the re-establishment of that harmony and that good understanding between the two Houses, which is so desirable should prevail, for the good government, peace and welfare of the people of this Province.

**RESOLVED**, That all Resolutions by which one branch of the Legislature lay down for themselves beforehand, and in a general manner, a rule not to proceed on Bills of a certain form or description which may be offered to them by another branch, is contrary to parliamentary laws and usages, to the Constitutional Act, and to the Liberties, Rights and Privileges of the other branches of the Legislature, and even of that branch which adopts such Resolutions.

**RESOLVED**, That by constant parliamentary usage, recognized by several Acts of the Parliament of the United Kingdom and the Legislature of this Province, the Commons of the United Kingdom and the Assembly of this Province have frequently voted by Addresses advances of money when the exigencies of the state and country have rendered it necessary, and that this practice far from being disadvantageous, has been of very great assistance to Government, as the converse would produce incalculable inconvenience and fatal consequences to His Majesty's Government.

**RESOLVED**, That it is the duty of this House towards His Majesty and the people of this Province, to take into consideration all salaries, pensions, and augmentations thereof, and to provide for them with liberality and justice, although the *quantum* be not mentioned in the recommendation made to this House by the King's Representative.
