Lewis' Quinine Port Wine.

---

Of all the new medical agents now being used by the public, Lewis' Quinine Port Wine is the most noteworthy. What a physician says: "As an invigorator and an appetizer of the whole system it has no equal." A specific in cases of

**DYSPEPSIA, LOSS OF APPETITE AND NERVOUS DEBILITY,**  
And a certain cure for Fever and Ague. It has changed a thin nervous desponding creature into a plump, robust and cheerful woman. Prepared only by
