SATURDAY'S RUGBY CARD WELL FILLED

Billed as a junior exhibition game, Parkdale and Commerce High Schools met yesterday at Trinity College Campus. It developed into a mixed affair with both schools using many seniors. Parkdale won the game, 12 to 0. Both teams showed the lack of practice by making many mistakes, with the losers the worst offenders. Parkdale followed up their kicks well and tackled in deadly fashion.

The most pretentious schedule of football games of the season to date is mapped out for eastern American colleges Saturday. This city will be the scene of two special contests for the benefit of the United War Work Fund, in which Princeton will meet the Camp Upton eleven at the Polo Grounds, while across the river in Brooklyn, Rutgers and the Great Lakes naval training camp will compete. Among the all-college contests, the annual meeting of Pennsylvania and Pittsburg at Pittsburg is the outstanding feature. A closely contested match is expected with the Pittsburg eleven a slight favorite in view of its undefeated record, both this season and during the past three years. Other games include Columbia and Wesleyan at New York; Navy and Ursinus at Annapolis; Lafayette v. Franklin and Marshall at Boston; Pennsylvania State and Lehigh at State College, Pa.; Fordham and Boston College at Boston; Maine and Colby at Waterville, Maine; Andover and Exeter at Andover, Mass.; Washington and Jefferson v. Geneva at Washington, Pa.; and Union and Hamilton at Schenectady, N.Y.

Today's Rugby card promises some rare sport. The game at Scarborough Beach between Royal Air Force and Beaches should be a good battle. The Birdmen have the nucleus of a rattling good team and last week's game wore down a lot of rough spots and as both have heavy lines some real old-fashioned bucking and tackling should be in evidence. The U.T.S. star will also be given a chance to work his field goal kicking. It will be interesting to see how Pearson, Delaney and Company compare with Price, O'Brien and Singer.

The City Rugby League have appointed Lou Marsh and Bobby Hewson as the officials for today's sudden death game in the senior city series between Central Y.M.C.A. and Beaches which will be staged at Varsity Campus at 2:30 o'clock. These teams are tied on the eastern district, each with a win over the other and the "settlement" promises to be a ring-tailed snorter.

Up at Upper Canada College Campus U.C.C.L. takes on Harry Griffith's Ridley College crew at 2:30, and any time a Ridley team plays a Toronto squad there are many fans who would rather see the prep school boys play than any senior game ever scheduled. The youngsters play clean, snappy Rugby and their sportsmanship in defeat or victory is usually something to be admired. W. A. Hewitt will referee the

game, and his assistant will be Lieut. Macdonnell, formerly of Queen's University, who has just been repatriated after spending many months in prison. "Dunc" Munro's U.T.S. team will go to Hamilton to play "Mouse" Morris' team in the new Junior O.R.F.U. play-off. U.T.S. won 21-6 here last Saturday and have a 10-point margin to work on, but without the services of Gardner, their crack outside wing, they will need every point to fit. The Hamilton team has a husky outfit, but it is alleged that some of their players are not bona fide students as required by the rules. The Ottawa Collegiate Institute fought for a game at Montreal Saturday night. Play will take place on the Westmount grounds.

SAINTS AND SOLDIERS WIN RUGBY CONTESTS

St. Michaels Down School, and Dents Defeated by Officers' Training Corps.

St. Michael's College defeated School of Practical Science at Varsity Stadium yesterday in a Mulock Cup game, 7 to 2. It was a tidy battle all the way, with each team forcing two rouses up to the other.

Dillon tore off a thirty-yard run around the end for a try in the last quarter, but was not converted. The Saints showed a strong line, but bucked for yards many times. Their half line opponents, the S.P.S. backs caught well and were good ball-carriers. O'Brien, flying wing, was a star for the St. Michaels, and Dillon and Monaghan were the best men on the line. Officers' Training Corps had no trouble in winning their Mulock Cup fixture yesterday afternoon. Dents, who had only one practice, at noon yesterday, and went into the fray under a steady hand. The soldiers scored two points and the Dents failed to set on the score sheet.

O.T.C. have a big, strong team, and are well drilled. The half line got in some telling work and ran up 11 points before half-time. Wendell Holmes played left half for Dents, and was the outstanding player for the team. Dents expect to do better next time.

NEW YORK HORSE SHOW CHAMPIONSHIP AWARDS

Show Just Closed Attracted Larger Crowds Than Last Year, But Not Like Before the War.

New York, Nov. 15.—Championship Day brought the thirty-third annual national horse show to close tonight at Madison Square Garden. The show, which opened on Monday, has not attracted the large crowds of pre-war years, but the attendances have been large. The amount of prize money, a substantial sum, will be added to the United War Work Fund, all the profits going to that worthy cause. The expenses this year, however, have been higher than usual. The morning session opened with three classes for horses suitable to become hunters, all the winners then contesting for the championship of type. These classes are known as the "Three Men who use hunters look to for new mounts." The winner of the title last year was the Boston horse, Craywood, who entered as a green novice and left the Garden with a new owner, who had paid \$1000 for him.

The blue for the horses suitable to be hunters was won by Blue Runt, a gray, tie horse in conformation, as well as in height, which was shown by F. Ambrose Clark.

Miss Constance Vaulain's Arbut won the middleweight class, and the lightest went to Shroveton, owned by Louis K. Liggett.

Miss Eleanor R. Sears won a well-deserved award in the class for qualified hunters with Klitke, an eight-year-old gelding, that jumped in perfect form. He was easily the best performer of the lot.
