Who are overworked mentally or physically derive great benefit from Milburn's Pills.

Every day in the week and every week in the year men, women and children are suffering from nervousness brought on by their efforts to keep up to the modera

"high pressure" mode of life necessary to this age.

Thousands find life a burden and others an early grave.

Overwork is often the cause, as it strains the Nervous System and causes Nervousness, Sleeplessness, Nervous Prostration, Faint and Dizzy Spells, and General

The blood becomes weak and watery and eventually causes decline.

Milburn's Heart and Nerve Pills are indicated for all diseases arising from a weak and debilitated condition of the nerve centres.

A Czech Radical, Zazvorka, started the uproar by insisting on making a speech in the Czech language. The acting president, Prade, prohibited him from speaking, whereupon Fressl, a Czech Radical, rushed up to the presidential chair, snatched the papers from the desk and crumpled them into a ball. A member of the German People's party, named Malik, sprang upon Fressl, and belabored him; Berger, a Pan-German, joined in the fray, and showered blows upon Fressl. Others d showered blows upon Fressl. Others ined in the fighting, and the noise became rrific. Eventually the combatants were separated, and the sitting of the House was

"I am not Well

enough to Work."

## To Women who Work.

What tragedy for the wage-earning woman is hidden beneath the words "I am not well enough to work"! Every penny of her slender income is needed for the necessaries of life for herself and others. Seldom, indeed, is it that the girl or woman who works in a factory, or in some business office or store, has merely herself to support. Nearly always there is an invalid mother or sister, perhaps a brother or father.

She taxes her endurance, therefore, to the last limit before giving up. She knows her place will be filled by some one else.

She has no money laid up. Her wages have been insufficient for her pressing needs, and she has spent money on doctors, trying to keep at work and hold her place. But it's no use—she has reached the limit. In her fight with female troubles she has come off second best, as myriads of women have before her.

What will happen, now that she has lost her place and has broken down in health?

These heart-stirring stories are being lived all around us in large cities, and every one of them might have been a story of health and energy, if the young woman had but written to Mrs. Pinkham when she first felt ill. She would have been told just how to make herself well and strong, as many other women have, and this advice would have cost

her nothing. And it is not alone in factories and business places that women are forced to give up on account of ill health. It is quite as often the woman who does her own work at home. This means, generally, doing the work for a household of seven or eight.

She also compels herself to attend to the daily round of duties when she ought to be in bed, and does not know where to look for that reliable help that will put her on her feet and stop those awful aches and pains. The sure help for all ailing women, who work at home

or elsewhere, is Lydia E. Pinkham's Vegetable Compound. Women who have used it testify to this with one

Do not let disease make headway. Write to Mrs. Pinkham, Lynn, Mass., for her free advice, and begin at once the use of

"DEAR MRS. PINKHAM:-I write to thank you for the good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. It is now six years since I was taken sick. I had falling of the womb and ovarian trouble. I suffered untold pains; sometimes was so bad that I thought I could not live. I used the Vegetable Compound steadily for some months and am now well. If you like, you may use my letter for the benefit of others."-MISS KATIE P. MISS KATE P. JUNGLAS JUNGLAS, New Salem, Mich.

Words cannot tell what your medicine did for me. It saved my life. I was so weak and nervous, would have very bad hemorrhages. I did not do anything for a year, not even attend to my own family. I suffered beyond description; my physician said I could not get well without an operation, which I refused to have. I tried all kinds of medicine, but they did me no good. A friend recommended Lydia E. Pinkham's Vegetable Compound. I used it and the Sanative Wash, and am now enjoying the best of health. I hope that all suffering women will take your medicine."—Mrs. ELLA Long, 333 Pearl St., Bridgetown, N. J.

"DEAR MES. PINKHAM:—I have been so delighted with your Vegetable Compound I thought I would write and thank you. My system was entirely run down; I suffered with terrible backache in the small of my back and could hardly stand upright; was more tired in the morning than on retiring at night. I had no appetite. Since taking Lydia E. Pinkham's Vegetable Compound I have gained fifteen pounds, and am gaining every week. My appetite has improved, have no backache, and I look better than I ever looked before. I shall recommend it to all my friends, as it certainly is a wonderful medicine.'—Mes. E. F. Morton, 826 York St., Cincinnati, O.

"DEAR MRS. PINKHAM:—I had been in poor health for twenty years, having inflammation of ovaries and womb trouble. Although treated by physicians, I could not seem to gain any strength, and could not do my work, and was so low spirited and tired of life. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. The first bettle strengthened me and I wrote you. After taking six bottles, can say that to take Lydia E. Pinkham's Vegetable Compound. The first bottle strengthened me and I wrote you. After taking six bottles, can say that I am well and can even do my washing. I cheerfully recommend your Vegetable Compound to every one with any female weakness, and cannot praise it enough."—Mrs. M. W. Miller, 1033 Canal St., Gulfport, Miss.

DEAR MRS. PINKHAM:-It is with pleasure that I add my testimony to your list, hoping it may induce others to avail themselves of the benefit of your valuable remedy. Before taking Lydia E. Pinkham's Vegetable Compound I felt very bad, had terrible sick headaches, no appetite, gnawing pain in stomach, pain in my back and right side; was tired and nerpain in my back and right side; was tired and hervous, and so weak I could scarcely stand. I was not
able to do anything, had sharp pains all through my
body. Before I had taken half a bottle of your
medicine, I found myself improving. I continued its
use until I had taken four bottles and felt so well that
I did not need any more. I am like a new person."—
MRS. W. P. VALENTINE, 566 Ferry Ave., Camden, N. J.
