

## Your Duty

Every Londoner should feel that he has a part in this big drive. Our boys are fighting for us—their dependents remain at home—both need care, and money alone will supply it. Our men are protecting us, let our money protect them, and theirs.

So, put your energy into this campaign and boost for it—put your money into it, and help. Give and give. This will be the only chance you will have this year.

**\$355,000 IN THREE DAYS**
