

MUTT AND JEFF—It Had Been the Same Story Every Night, But the Worm Turned

With the Trotters and Pacers

Amo, 2:14 1/2, by Auster, owned by C. S. Phillips, of Wilmington, Del., has foaled a dead filly by Dillon Axworthy, 2:04 1/2. Hard luck.

George Gregory, of Philadelphia, has shipped Wrack (3), by Peter the Great, dam The Colorado Belle by Colorado B. (3), 2:04 1/2, to Thomas W. Murphy.

Trainer John Garland will open a public stable at the Camden Privilege Club's track at Merchantsville, N. J.

Al Saunders writes that the Horse Dealers' Sweepstakes, Belmont and Keystone stakes have received more entries than he expected.

Jerry O'Connor, of Tiffin, O., has sold the green trotter, Colonel Axworthy, by Orot Axworthy, 2:08 1/2, dam Gypsy Girl by The Expert, 2:24 1/2, to R. G. Pratt, of Binghamton, N. Y., who will send him to Will Snow's stable at Endicott. He is said to have stepped a mile in 2:11 1/2 over a half-mile track.

The early-closers for the Columbus meeting have filled well. The 2:31 trot has eleven entries, the 2:38 trot eighteen, the 2:05 trot ten, the 2:11 pace twenty-two, 2:08 pace twenty-two and the 2:05 pace twelve.

Mark Longbrake, of Marysville, O., has sold the brown pacing mare Josephine L., 2:19 1/2, by Director Joe, 2:09 1/2, to A. L. Walker, a well-known

horseman of Canal Dover, O.

LeRoy, of Newtown, Pa., is offering some superb brood mares for sale at bargain prices, including one by Bingen, 2:04 1/2, out of Naron by Alton second dam Nancy Hanks, one by Todd, dam by Orot, 2:32, and one by Insanity, son of Antee, 2:16 1/2, dam Belle Union, by Antee out of Kentucky Central, dam of Kentucky Union, 2:07 1/2. The mares are all sound, regular breeders, good mothers and sold for no fault. They were not bred last year.

The 8-year-old mare Winterwood, 2:07 1/2, that brought the ten figure at the Chicago sale last week, is very closely related to Allen Winter, 2:06 1/2, the winner of the sensational \$50,000 American Derby of 1918. The sire of both is Ed. Winter, 2:12 1/2, owned by A. Adams, of Hahokus, N. J., while the dam of Winterwood and the granddam of Allen Winter is the same mare, Willie Funk, by Wilkeswood, son of Nutwood. By another coincidence Lon McDonald, who trained Allen Winter, is to have Winterwood the coming season. Winterwood took her record at Lexington last fall, and is said to have worked a mile two seconds faster.

Vanko, 2:06 1/2, and Spriggen, 2:08 1/2, record holders of the Philadelphia sportsman, C. C. Coulbough, will be scheduled to pole and are candidates to lower the team record at Belmont, which was set at 2:14 last year by the M. M. Sullivan pair, Lurline Bingen, 2:17 1/2, and Lena Zorn, 2:17 1/2.

The widely heralded return match between the Houston and Somersworth boys, 2:18 1/2, and the Fredrickton (N.B.) pacer, Arlene, 2:08 1/2, failed to materialize as Fredrickton was weeks ago on account of the ice track being blocked by the recent storm.

A free-for-all race, value \$5,000, distance one mile and a quarter, was trotted at the Metropolitan track, New Zealand, it was won by Author Dillon, a horse by Harold Dillon, who did the mile and a quarter in 2:44 1/2, a shade better than a 2:12 gut. Author Dillon is a pacer who has been a mile in 2:06 1/2.

Moko Axworthy, 2:11 1/2, has been purchased by W. L. Snow, the well-known eastern reinsman from W. L. Bull, Melba, Va., for \$7,000. Mr. Snow was acting for George M. Johnson, proprietor of Ideal Park, Endicott, N. Y., and the horse probably will be raced on the Grand Circuit. He took his record last summer at Goshen, and at York Pa., last fall, he forced out Helen Stiles in 2:09.

The Bingen stallion, On the Rhine, 2:09 1/2, left New York last week for his new home in England, being consigned by A. H. Merrill, the Danvers (Mass.) speed merchant, to Mr. Hazlett, Birmingham. Five other horses will accompany the shipment, consigned by Merrill to John L. Ridghead, Blackpool, England, the Ed. Custer pacer, Michael A. Powers, 2:14 1/2, being the only record holder of the quintet.

BIG DROP IN PRICE OF SPUDS FOLLOWS BOYCOTT IN DETROIT

Potatoes Tumble From \$8 a Bushel To \$4.25 in One Day.

DETROIT, April 15.—Potatoes on the eastern market today dropped to \$1.25 a bushel as a result of the boycott declared on the offending spuds by Detroit housewives and stewards yesterday.

The market opened with the price at \$5, as compared with \$7.50 asked on Wednesday, but there were no takers, and it dropped to \$4.25, but still no signs of life appeared. When, however, the potatoes descended to \$4.50 a bushel, a few sales were made, but not until they had reached their low level of \$4.25 was any considerable movement reported.

Carrots Also Cheaper.
Other vegetables suffered like slumps. Carrots were offered at the market opening for \$2 a bushel, but were only bringing \$1.50 at the close.

Assistant Market Director Berl predicted that potatoes would drop to \$3 a bushel within ten days, if the boycott persists.

Further expressions of confidence and in support of the boycott on potatoes, which the Federated Women's Clubs have started, are being received by Mrs. Frederick Gray, president of the organization.

75.50 A BAG IN WINDSOR.
WINDSOR, April 15.—Within the past week, since the outbreak of the railway strike, potatoes have increased in price \$2 a bag in Windsor and the border cities, while hundreds of bushels are tied up in the cars in the yards of various railway companies, principally the M. C. R.

The active American buyers, who have been flocking into Essex and Kent counties recently, buying up all available supplies, and shipping them to Detroit by truck, have also had a noticeable effect on prices, although the situation is much worse across the river, where almost a famine exists. Potatoes sold there yesterday at \$5 a bushel and \$12 a bag.

In Windsor the current price is \$7.50 a bag, having risen from \$5.50. Many restaurants in Detroit have ceased having potatoes at all, and have signs placed in prominent positions to notify patrons of the curtailment necessitated by the shortage.

Windsor dealers have been further handicapped by the exchange rates, producers preferring to deal with American buyers and cash in on the difference.

BE PRETTY! TURN GREY HAIR DARK

Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color of the hair when faded, streaked or grey. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients at a small cost. Don't say grey! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or brush with it and draw this through your hair, taking one small strand at a time; by morning the grey hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.
