NEW YORK, Jan. Following a meeting of the stewards of the Jockey Club to-day, the racing dates for next season, over which there has been much speculation, owing to the fact that the Empire City track was to secure an annulment, were given out. As was the case last year, racing will be held over the Yonkers track during August, twelve days of which will be in conflict with the dates assigned to the Saratoga Racing Association. The Empire track also secures dates for a six-day meeting in the fall. The Metropolitan racing season will open April 15 at Aqueduct, and will close Nov. 14. Following are the dates for meetings over

Queen's County Jockey Club (Aqueduct), April 15 to April 28. Metropolitan Jockey Club (Jamaica), April 29 to May 12. Westchester Racing Association (Belmont), May 13 to May 30. Brooklyn Jockey Club (Gravesend), June 1 to June 18. Coney Island Jockey Club (Sheepshead Bay), June 19 to July 6. Brighton Beach Racing Association (Brighton), July 7 to July 29. 4. The Brunswick-Balke-Collender Company, or their representative, to be sole arbitrator in the event of any disputes, and their decision to be accepted as final.

Enquirer, North Toronto-Mitchell and Sullivan fought a 30-round draw in France in 1888. Mitchell never defeated Sallivan.

Manager Hartmann has signed the old favorite of the Brunswick alleys, Jim Heffering, who rolled his first game in league company last night, and rolled a total of 440. He is a bit shy of the foul line, but will soon become accustomed to league rolling and give the best of them a run for their money.
