

SHIFTS ARE MADE IN CURLING GROUPS

Number Thirteen Will Play at Agincourt—Toronto Clubs Move—The Officers.

The election, by acclamation, of George R. Hargrave, of the Ontario Club of Ottawa, to the presidency, the changing of a number of groupings, and the general routine business occupied the attention of the delegates and officers at the annual meeting of the Ontario Curling Association yesterday morning at the Granite Club.

The officers elected, all by acclamation, are: Patron, His Excellency the Duke of Devonshire; honorary president, Sir John E. Hendrie; president, George R. Hargrave; first vice-president, F. C. Burden (Detroit); second vice-president, W. A. Ross (Barr); secretary-treasurer, G. S. Peary; chaplain, Major (Rev.) Richard Macnamara (Collingwood); executive committee, T. Rennie, C. Swabey, W. H. Wright (Owen Sound), A. M. Cunningham (Hamilton), M. Asselstine (Kingston), T. L. Hamilton (Fergus); committee on annual, Rev. J. W. Pedley, C. Swabey and G. S. Peary; auditors, G. G. Ekins and W. H. Burns.

The meeting granted \$100 to the Red Cross. The most important change made in the groupings was that in the Tankard competition, group No. 13 being the one in question. This group, made up of Toronto, Agincourt, High Park and Queen City made up group five. The change was made so that if the games were played at one of the towns it would help to create greater interest. It was the feeling of the meeting that Agincourt should be the place of play, and the change was made accordingly.

Mr. Asselstine brought to the attention of the meeting another matter of great importance. It was in connection with the ladies' curling clubs. As it now stands on the O. C. A. books no ladies' club can compete in the Ladies' Tankard unless each club is affiliated with a club made up of male members. It was pointed out that this was a detriment to the game as far as the ladies were concerned, and the meeting readily agreed that the constitution be changed. In future it will not be necessary for the ladies' clubs to be affiliated with a club made up of male members in order to become a member of the O. C. A. and to compete in the Tankard.
