TORONTO HONORS HEROIC WOMEN

Capt. Plummer and Lieut. Arnoldi Received at City Hall.

Toronto welcomed back home yesterday two young women who distinguished themselves in the war, Capt. Mary Plummer and Lieut. Joan Arnoldi. A reception in their honor was held in the council chamber at the city hall under the joint auspices of the Toronto Women's Patriotic League and the civic authorities. Men and women, representative of Toronto's war effort, filled all the available seats in the chamber and the gallery while the seats on the dais were occupied by his worship the mayor, his honor the lieutenant-governor, and the Hon. Sir Edward Kemp, overseas minister of militia. The two guests occupied seats to the left of the speaker during the speeches and from that station shook hands with the people as they filed out at the close. The chamber was tastefully decorated with flags and flowers for the occasion.

Mayor Church on behalf of the city read and presented an address in which he said that Toronto would never forget the splendid services of Captain Plummer and Lieut. Arnoldi and added that Canada had been enabled by the heroic effort of its women during the four-year struggle. His worship embraced the occasion to thank Lieutenant-Governor Clarke for his 12 years of service in the interests of Toronto.

Sir Edward Kemp, who followed, told of his visits to Shorncliffe where Captain Plummer and Lieut. Arnoldi had their headquarters and declared that no branch of the army showed greater efficiency. The young ladies, he said, had performed a service for the country that he was sure would not be forgotten.

Brigadier-General H. Mitchell, speaking as a representative of the expeditionary force, said he believed it was the work of the Misses Plummer and Arnoldi and behind them the great body of women in Canada that had preserved the high morale of the troops.

service in the war. The addresses she said would always be among her most treasured possessions. Lieut. Arnoldi disclaimed any special credit for her war work and said that she believed many at home had rendered more heroic service. The women overseas had the excitement attending the touch from the army at the front to buoy them up, while the women at home had less glorious tasks but quite as useful and meritorious. They were given hearty cheers at the close.

At the close of the reception at the city hall yesterday Captain Mary Plummer, Lieut. Joan Arnoldi, Miss Church, Mrs. Van Koughnet, Mrs. H. D. Warren, Mrs. Stuart and Miss Fodger were special guests at the Women's Press Club, when tea was served and a delightful address on the Community Theatre given by Mr. Roy Mitchell.

THE NATIONAL CHORUS Tomorrow night musical Toronto will be treated to one of the most attractive events in its history, a program of double charm and unusual interest. In addition to the fine talent which has been secured in the person of the sensational Russian violinist, Toscha Seidel, who makes his first bow to the Canadian public at this event in Massey Hall, there is a program of music of interest which will be unprecedented in the National Chorus of Toronto, under the direction of Dr. Albert Ham. In his selection of programs for the annual National Chorus concert, Dr. Ham has unflinchingly provided his audience with music that appeals not only because of its nobility of spirit and wealth of color, but because of its instructive qualities and its contribution to the development of Toronto's musical knowledge and taste.

The executive committee request patrons to be in their seats by 8 o'clock.

"REAL LIVE BABY." Police Lay Charge of Running Lottery Against Frank Wightman, Ossington Avenue.

Frank Wightman, Ossington avenue, was yesterday summoned to appear in police court charged with running a lottery. According to the police Wightman conducts an orchestra and Monday night he gave a dance in the Masonic Hall, 888 Yonge street. He advertised in the evening papers that "a real live baby" would be raffled during the evening. The advertisement was used as a drawing card and all purchasers of a ticket, was entitled to a draw for the baby.

Morality Officers Kerr and Massey read the act, and curious as to the kind of a "baby" was to be raffled off, they attended the hall. When the lucky number was called out neither officer held the "lucky" ticket, but strained their eyes to see the baby. The baby when handed over to the winner was nothing more than a sucking pig.

HE BEAT T. S. R. Judgment was given yesterday awarding John McMahon \$100 damages in his suit against the Toronto Railway Company before a jury and Judge Denton in the county court. Plaintiff sued for \$1,065, alleged damages when a street car jumped the track and crashed into the building.

IDA AT THE CITY HALL

BY IDA L. WEBSTER.

The smallpox epidemic still continues to be in the vaccinating state, and the travelers who would fly to warmer climes still remain in the Queen City and dodge snow flurries.

Miss Joan Arnoldi made an excellent speech at the reception tendered her by the city yesterday. Indeed she quite captured the hearts of the "hard-boiled" who are accustomed to such afternoon, so that she will ever be a most welcome guest in the council chamber of the city hall.

Sir William Hearst arrived at the civic reception to Captain Plummer and Lieut. Arnoldi a trifle late, and, therefore, found only a seat by the door vacant. What a difference a few short weeks make.

After looking over a few of the committee meetings in the city hall, we have finally come to the conclusion that we would not accept "Daisy" Chisholm's job if there was a thousand a month in it.

Premier Drury sent a note of regrets to the Women's Patriotic Association explaining that Mrs. Drury was in Crown Hill, and that his duties at the parliament buildings were keeping him very busy. Now, the question is, what did Sir William Hearst think when he heard the message?

The attraction at the Royal Alexandra Theatre this week is the property of Garry Herrmann, the chairman of the National Baseball Commission. Believe us, it is a poor guy who has not a couple of iron in the fire these cold days. Well, at least in this instance there is an excuse, because the show is a mighty good one.

Our old friend, Judge Cohen, electrified the city hall yesterday by becoming a member of the Aero Club. We were quite certain the night court wrinkle would start something, and apparently we guessed right.

"WOMEN'S MUSICAL" CONCERT. The sale of seats for those who do not hold exchange tickets for the Women's Musical Club concert will open next Monday at Massey Hall. Those who do hold these, may reserve them on Friday and Saturday of this week. Exchange tickets may yet be secured from the secretary, Miss Shanley, Phone College 2064. The concert takes place a week from tomorrow and is one of first importance.

HE BEAT T. S. R. Judgment was given yesterday awarding John McMahon \$100 damages in his suit against the Toronto Railway Company before a jury and Judge Denton in the county court. Plaintiff sued for \$1,065, alleged damages when a street car jumped the track and crashed into the building.

Thorne is appointed provisional liquidator, with a reference to J. A. C. Cameron. The order was made on the application of the creditor, Peter Smith, of Brampton.
