

New Season Alaska Seal

There has been an advance of from 25 to 40 per cent. in the price of seal skins. Next winter seal garments will be that much dearer than they are this season.

We will make Alaska Seal Jackets to order at the present scale of prices. The styles will be in next season's vogue, and the skins and all materials will be of guaranteed quality.

A small lot of Persian Lamb Jackets, made up in the new mode of style, beautifully handsome garments, at this season's close prices... **\$110**

The Oldest Inhabitant Is Silent in the Face of the Cement-Like Blockade.

Whitby, Feb. 16.—(Special.)—The result of the storm has tied up Ontario County to such an extent that the municipality of the oldest inhabitant is severely taxed to recall its equal. The white snow and concession roads are impassable and traffic on the main roads is a matter of the utmost difficulty. The mails from Brougham, Greenwood and the intervening villages are taken from Whitby by a stage, which makes it impossible to get the round trip daily Mail Carrier Hoyt left here Tuesday morning and got back Wednesday night. He reports a fearful trip. The trains are all late and the Port Perry branch, which carries the freight, is nearly a day late. The freight service they may expect from the removal of the freight sheds from the main line to the up-town station. The train from Toronto due here shortly after 5 p.m. was delayed half an hour. The train from Port Perry, which arrived at 6 p.m., was delayed half an hour. The train from Port Perry, which arrived at 6 p.m., was delayed half an hour.
