## A MAN'S LIFE SAVED.

I WOULD not be doing justice to the afflicted if I withheld a statement of my experience with Jaundice, and how I was completely cured by using

### NORTHROP & LYMAN'S VEGETABLE DISCOVERY.

No one can tell what I suffered for nine weeks, one-third of which I was confined to my bed, with the best medical skill I could obtain in the city trying to remove my affliction, but without even giving me temporary relief. My body was so sore that it was painful for me to walk. I could not bear my clothes tight around me, my bowels only operated when taking purgative medicines, my appetite was gone, nothing would remain on my stomach, and my eyes and body were as yellow as a guinea. When I ventured on the street I was stared at or turned from with a repulsive feeling by the passer-by. The doctors said their was no cure for me. I made up my mind to die, as LIFE HAD LOST ALL ITS CHARMS. One day a friend called to see me and advised me to try Northrop & Lyman's Vegetable Discovery. I thought if the doctors could not cure me, what is the use of trying the Discovery, but after deliberating for a time I concluded to give it a trial, so I procured a bottle and commenced taking it three times a day. JUDGE OF MY SURPRISE, at the expiration of the third day to find my appetite returning. Despair gave place to hope, and I persevered in following the directions and taking hot baths two or three times a week until I had used the fifth bottle. I then had no further need for the medicine that had SAVED MY LIFE—that had restored me to health—as I was radically cured. The natural color had replaced the dingy yellow; I could eat three meals a day, in fact the trouble was to get enough to eat. When I commenced taking the Discovery my weight was only 132½ lbs., when I finished

the fifth bottle it was 172½ lbs., or an increase of about ½ pound per day, and I never felt better in my life. No one can tell how thankful I am for what this wonderful medicine has done for me. It has rooted out of my system every vestige of the worst type of Jaundice, and I don't believe there is a case of Jaundice, Liver Complaint or Dyspepsia that it will not cure.
