

CHA ALL ST A UNITED FOR AU

EVERY COUNTY IN PROVINCE WILL CONTRIBUTE TO SWELL PREMIER LAURIER'S MAJORITY

Carvell's Victory is Certain in Carleton County—York County Conservatives Drop Crocket and Will Support Brown—Corps of Speakers Trying to Save Wilmot in Queens County—Tide Turning Against Ganong.

That F. B. Carvell, the Liberal candidate for Carleton County, will again represent that constituency at Ottawa after the election on October 28, and that his majority over his opponent will be not less than 400, is the opinion expressed by Hon. W. P. Jones, of Woodstock, who was in the city yesterday.

"There is no doubt whatever about the result," said Mr. Jones. "The Conservative candidate, B. Frank Smith, I think, is very much decided about the county. A great many are of the opinion that he can defeat Carvell on the result of the provincial election, however is not the case. The local election there turned on two questions, almost altogether, one was the road law, which was very much in the fact, and the other was the local matter affecting the upper end of the county, the question of the location of a bridge across the St. Lawrence. The provincial government had located it at one point and the people in other localities were dissatisfied.

"The local election was no test of the standing of the two parties on dominion issues, at all. Now Mr. Smith finds that the Liberals will support him last March are swinging back into the Liberal ranks because the provincial government have not carried out its promise to hand the administration of the highway act over to the municipalities, but instead have tried to remedy it by appointing parish boards with their own chairman and by increasing the road tax. Not only is he losing the Liberals who voted for him last March, but also a great many Conservatives for the same reasons.

"The other question, of course, is not an issue now except as showing the sincerity of Mr. Smith's promises that he would locate the bridge and have it constructed. The former government had decided on both for its location and Smith insisted that he would locate it as a point further up, but he is careful not to point the exact place until after the election and the people think the government will never build it.

"A great many of the independent Conservatives of the county believe that Smith should not have resigned his seat in the legislature as they look upon his candidature as showing his personal ambition against Carvell.

"The result of the election of the mass of independent electors are favorable to Carvell because they recognize that in his county he is the best representative at Ottawa, that it ever had. He is a clean, capable man and I have no doubt that his majority will be a decided gain over the 1904 election when he had 274 votes more than F. H. Hale. I think this time he should have not less than 400 of a majority.

"He is making a strong personal canvass and feels confident of success. Meetings are being held every night and there is great enthusiasm.

"Regarding the contest in York, Mr. Jones said he knew that in the upper part of the county Brown is very strong. The same influence are at work there as in Carleton county. The new road law is generally considered as there is a good deal of sympathy for Brown who was ousted from his position by the Hazen government.

"There is a feeling that Crocket has done nothing for the county and the people feel that the Conservative government will do nothing for them."

In Victoria County, it is of course a foregone conclusion that the county will elect and many are of the opinion that Baker will not save his deposit.

Hon. Mr. Jones will leave this morning for Queens County where he will address several meetings in the interests of Colonel H. H. McLean. Tonight's meeting will be at Shannon Settlement. An enthusiastic meeting of the Young Liberals Club was held here last evening at which Col. H. H. McLean and Senator King delivered addresses. R. D. Richardson, the president, was in the chair. The hall was filled to overflowing and nearly all in the audience were voters. Chipman can be counted on to give a large Liberal majority.

Reports from other sections received here are most encouraging and Liberal gains are being made in every parish. The fact that Premier Hazen has cancelled his western tour and is devoting all his energies in an attempt to save Queens and Sunbury is in itself significant. Messrs. Alward, Powell, Baxter, Woods and Slipp have all been retained to speak in a vain endeavor to stem the tide. Mr. Wilmot is evidently becoming discouraged. He is now telling his friends that he will poll a big vote even if not elected. He is fighting in lost cause.

Campbell, N. B., Oct. 6 (Special).—W. S. Loggie was given a rousing reception last night in Murray Hall, when he arose to speak on the issues of the campaign. The hall was filled with a large gathering of citizens who showed the confidence they repose in the party of progress. The speaker paid a high tribute to James Reid, M.P., the Liberal representative of this county. He said that in Mr. Reid the county had the best man it could choose. He advised the electors to give their duty to their country and give Mr. Reid a rousing majority.

Russek, N. B., Oct. 6 (Special).—D. H. McAlister, M.D., Liberal candidate for Kings-Albert, was in Havelock yesterday, where he met a large number of friends and supporters, at an agricultural fair that was being held there. Dr. McAlister is one of the very best Liberal canvassers that Kings county has ever known.

It used to be said of Senator Domville that he knew every man, woman and child in Kings county. It was quite true that he had a wonderful acquaintance, and on Monday night there was no doubt whatever that the old feelings are still felt for this popular politician of former days. The senator, who was in splendid form, gave an address of an hour and a half to an audience heartily in sympathy with him. He was applauded to the echo.

The reports from Havelock are that the Liberal vote there is much larger than usual. Dr. McAlister is well known in that parish as well as in all the other sections in the upper half and in the lower half of the county, and the kindly feelings entertained for him will do much to increase his vote.

The attitude taken by his brother physician, Dr. Pearson, of Sussex, will furnish an example to scores of his friends, who may be inclined to place their political before their personal feelings. It is no secret in the upper end of Kings county that Dr. McAlister would be glad to see him elected.

Tomorrow night Hon. H. A. McCowen, of St. John, and Hon. C. J. Oman, of Hillboro, will address a meeting at Upland. On Friday evening A. B. Copp, M.P., and Hon. Mr. Oman will address a meeting in the Agricultural Hall in Hampton Village; and on Saturday evening Mr. Copp and Senator Domville will speak at Norton Station in the large hall there.

Enthusiastic organization meetings are being held every evening all over the county and the prospects of Dr. McAlister's election are brighter than they have ever been. Right here in the home of both candidates, it is confidently believed that Dr. McAlister will have a large majority.

St. George, N.B., Oct. 6 (Special).—F. B. Carvell, M.P., is meeting with a most encouraging reception all over the county. Last night he and Ald. Dugan spoke to a big crowd at Watson Settlement and created an excellent impression. Tonight the candidate will be at Bloomfield.

Hon. W. P. Jones, Ald. Thomas, Dr. Grant, Dr. Kirkpatrick and Geo. W. Upland spoke to a big crowd at Pembroke last evening and tonight the latter four are speaking at Lower Brighton.

Mr. Carvell and Hon. Mr. Jones will speak on Saturday evening at Upland, at a grand week end rally. Carvell's election is beyond peradventure.

St. George, N.B., Oct. 6 (Special).—Liberal prospects are growing brighter every day. G. W. Ganong and Judge Cockburn held a meeting at Bear Harbour last night. Three quarters of the audience were Liberals and many left the hall disgusted with the scandalous harangue of the speaker. Ganong is a past master at this style of oratory, but he has reached the limit in Charlotte and the county will undoubtedly vote solid for Todd.

Chatham, Oct. 6.—W. S. Loggie, M.P., addressed an enthusiastic meeting at Douglasfield last night, and will speak at Barclay River on Wednesday.

FOUR THOUSAND HEAR LAURIER AT L'ISLET

Open Air Meeting Addressed by the Premier Yesterday.

L'Islet, Que., Oct. 6 (Special).—Nearly 4,000 electors of the county welcomed Sir Wilfrid Laurier at an open air meeting this afternoon. The premier was met at the station by Mayor Cloutier, of L'Islet, and most of the male population of the village, headed by a brass band. Special trains from L'Islet and Riviere du Loup brought nearly 2,000 people.

The premier arrived and was escorted to a temporary platform by Mayor Cloutier and a detachment of the militia. He was greeted by a chorus of "God Save the King" and a cheer for the premier. He then gave an address of welcome to the people of L'Islet and the surrounding district. Sir Wilfrid spoke for more than an hour. He expressed assurance that though some of many winters had whitened his hair, he still felt strong to work for Canada, and wanted five more years to do it in.

Hon. Rodolph Lemieux spoke for an hour. At the close of the meeting the premier was escorted to the train by the band and given a cheer as the train pulled out for Quebec.

BIG MEETING AT KINGSTON, ONT.

Hon. W. S. Fielding and Hon. Chas. Murphy Were in Excellent Form.

Kingston, Ont., Oct. 6 (Special).—Tonight Hon. W. S. Fielding, who is nearing the conclusion of his Ontario tour, was joined by the new secretary of state, Hon. Charles Murphy, at a meeting in the interests of Hon. Wm. Hart, Liberal candidate in this city. Their joint efforts proved unusually successful, and in recent years Kingston has never had a political meeting higher in general character of popular interest and enthusiasm than this.

As the minister of finance repeated his cheery story of Canada's progress under Liberal guidance, the Opera House rang with cheers. Mr. Fielding was in an excellent argumentative mood, not withstanding his strenuous exertion of the past few days in Ontario.

Cigars and tobacco were freely distributed and sandwiches, pies, cheese, cake, coffee, soft drinks and fruit were served.

REFORMS IN JAPAN

Tokio, Oct. 7.—The government has decided to prohibit all gambling on race tracks and to enforce the laws governing racing. The action of the government has created excitement and it is believed it will eliminate horse racing in Japan.

He hoped that the campaign would be free from personalities, but if the Conservatives began to throw mud he would show them he could throw mud also. He had been a personal and political friend of Mr. Fowler but he did not like his course in parliament. He did not believe it was right for him to accept a retainer from the big railway corporations in the form of a tip on a railway loan. He believed that all men in parliament should stand clear and clear, and be in a position to veto the demands of these great railway corporations. After thanking the electors for their cordial reception, Dr. Pearson concluded his brief applause.

Mr. Oman then told the meeting how he had been in Dr. Pearson's position, a member of the Conservative party, and he knew how difficult it was to stand up and be honest and courageous as Dr. Pearson had been tonight. He explained the persecution that he had undergone since he had become a Liberal and, turning to Dr. Pearson and shaking hands with him, he said, "I am a Liberal and, turning to you, I am a Conservative."

Protesting cheering followed this and the meeting broke up in enthusiastic applause. Dr. Pearson, Mr. Oman, Sir Wilfrid Laurier and the King.

Demonstration at Havelock

Petticoat, Oct. 6.—The largest political meeting ever held at Havelock took place tonight, when Dr. McAlister, Hon. H. H. Emmerson, Liberal candidate for Kings-Albert and Westmorland were the speakers. There were about 600 people, about 200 standing, and scores who could not get standing room.

Dr. McAlister spoke first, referring to the accession of Dr. Pearson to the Liberal party.

J. T. Hawke then spoke for over an hour on the general issues, and especially dealing with the Independent Order of Foresters.

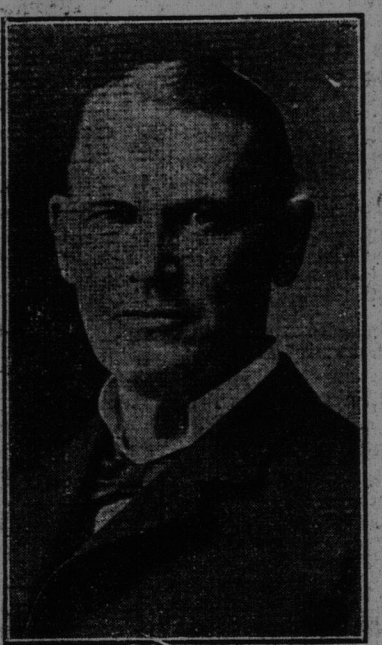

Hon. Mr. Emmerson followed with a great speech, dealing principally with the intercolonial and the branch lines. The meeting then broke up with cheers for the King, Laurier, and the candidates.

The size of the meeting surprised everyone, and the public feeling is seen to be strongly in favor of the Liberal cause.

All Up with Fowler

Corn, Cechan, of St. Martins, who was in the city yesterday, attending the meeting of the municipal council, said he had just been on a trip through Kings county, in his opinion Geo. W. Fowler has no chance of election there. That candidate's connection with the Foresters' funds, he said, was costing him the sympathy of many former friends.

On the other hand the Liberal candidate was popular all over the county. He has been known as "the poor man's doctor," and many stories are being told of his good heartedness. In addition, the county went over to Dr. McAlister as an absolutely clear record.
