

MILLTOWN CASE IS HEARD BY UTILITIES BOARD

Matter Adjourned to Allow Parties to Present Written Briefs

The hearing in the application of the Calais Water and Power Co. for an increase in the rates charged in the town of Milltown for water was continued this morning before the New Brunswick Public Utilities Commission and after argument by counsel was adjourned to permit each side to present a written brief to the commission.

M. N. Cockburn, K. C. St. Stephen, and H. H. Murchie, Calais, represented the company, and Gordon F. Nicholson, St. Stephen, represented the town of Milltown and the Canadian Cottons Ltd.

FIGURES VERIFIED J. S. Maxey, treasurer of the Calais Water and Power Co., in answer to questions by Mr. Nicholson, verified some figures in the report of the business of the company submitted to the Commission. He said the gross income of the company had increased by \$2,026.91, while the amount paid out for water had decreased by \$344.88. Of the increase in expenditure, \$1,600 was used in the operating expenses of the company \$926.

COMPANY'S ARGUMENT In the argument it was contended by H. H. Murchie, for the company, that at the present time they are only earning 1 per cent. on the investment in the town of Milltown and while they were paying 5 per cent. on the stock of the company the earnings were coming from Calais.

Mr. Nicholson, for those opposing the application for an increase, contended that even if the company were entitled to an increase the proposed method of apportioning it was unjust and the raising of the minimum rate worked a hardship on the small consumer.

COUNCILLOR DENIES HE PLEDGED AUDIT

Agitation For Check-up in Lancaster Parish Takes New Turn

In connection with the agitation for an audit of the Lancaster books and accounts, one of the councillors made the statement that he had never signed the poster pledging an audit of the accounts if elected and had been elected without "any pledge or platform" to serve the people to the best of his ability.

He said that he had never been consulted about this poster and then he had refused to sanction it and told the parties who approached him that he would have nothing to do with it and wanted his name left off. The next morning he had again called those responsible for the poster and demanded that his name be left off. On this occasion he was told that he was already in the hands of the printer.

GOOD THINGS COMING TO THEATRES OF SAINT JOHN

TUNNEY-DEMPESEY IMPERIAL MONDAY Monday's program at the Imperial is perhaps exciting more interest than anything advertised by the big house for months past. The coming of the Tunney-Dempsey fight pictures will so vividly portray the championship battle in the Philadelphia Stadium on Thursday, September 22nd, that watchers will have a better view of that historic event than if they had sat in a 300 ring-side seat on the big night itself. Besides the Tunney-Dempsey fight Imperial Theatre has an elaborate program headed by First National's thrilling Anglo-German war story "The Great Deception." This is from the English story "The Yellow Dove" and shows how the Kaiser's spies were outwitted by the British Secret Service and during the story daring aeroplane flights into Germany, submarine work and other methods of warfare are employed. There will be four showings of this program daily, at 2 o'clock, 3:45, 7 and 8:45. The Tunney-Dempsey fight pictures will be exhibited at every showing.
