Sale of Semi-Ready Suit Lengths Made-to-Order

Custom-made Suits from the Odd Suit Lengths Left Over from a Busy Season's Selling—Direct from the Factory

"We have been allowed to participate in the selling of 1,000 odd lengths left over from a busy season in the semi-ready tailor shops—not enough in each pattern to sample for the traveler—but sufficient to demonstrate the custom tailoring department which is a feature of the Semi-ready service.

"These suits are marked down for quick disposal to prices that do not represent the original cost. The cloth is worth from \$8 to \$10 a yard, and each suit length is big enough to make a suit for a man of 44 inch breast.

"All the sample suit lengths at \$80 to \$75, we will make up into suits to exact measurements for \$45 free of tax.

"The worsteds and tweeds that have been selling at \$50 and \$55 we will tailor to order for \$50.

Geo. T. Creary says this sale of custom tailored suits is the biggest money saving opportunity he has featured in many a day.

He has been allowed 100 of the finest sample suit lengths, worth up to \$75, to sell at \$45. Sale starts Thursday, July 8.

FORESTERS' HIGH COURT

The Independent Order of Foresters of New Brunswick met yesterday afternoon in the Seamen's Institute for the thirtieth session, with the high chief ranger, E. A. McKay, of Fredericton, in the chair. The attendance was very satisfactory and a large percentage of the court, who were present, were women.

The veteran members of the court, who were present, are: Colonel G. W. Meserveau, Doaktown; D. G. Lingley, city chamberlain; M. N. Cockburn, St. Stephen; A. C. Gibson, Capreol; C. A. Strong, St. John; H. W. Woods, Dr. J. D. Lawson, St. Stephen.

The following committees were appointed: Credentials, E. J. Todd, J. A. Stephenson, L. W. Murray; press, George E. Day and L. R. Hetherington; constitution, M. N. Cockburn, G. B. Jones, G. W. Meserveau, J. C. Wilson; distribution, M. E. Grass, E. P. Jones, John Betts. Several other committees were appointed and the reports of the officers of the court were submitted and accepted.

At the evening session, the business was interspersed with entertainment. G. W. Meserveau, past high chief ranger, was the first speaker. A piano duet was given by Mr. Meserveau and Mrs. E. J. Todd, a vocal solo by Mrs. Farris, and the evening was followed by the address of the evening by the chief ranger, H. E. Collins then gave a vocal solo and G. D. Mann, H. C. R. of Maine, addressed the meeting telling of the present state of the foresters in that state.

Last evening Past Office Inspector Harry W. Woods, who is a past high chief ranger, gave a dinner at the Union Club to W. H. Hunter of Toronto, supreme chief ranger of the order. There were also present H. Lloyd, assistant chief ranger of Toronto; A. F. Mann, high chief ranger of Maine; M. N. Cockburn, supreme councillor of St. Stephen; E. A. McKay, high chief ranger from Fredericton; Col. G. W. Meserveau, Middleton; N. B.; T. Murray, Sackville; N. B.; M. E. Grass, E. J. Todd, D. G. Lingley and James Stephenson of St. John. After a very excellent course dinner had been served there was the usual round of addresses and the function was greatly enjoyed by all present.

A PITIFUL CASE.

A pitiful scene occurred in King Square yesterday afternoon when a woman, giving her name as Mrs. Harriet Ellis, Harcourt, Kent county, with a two-year-old baby clasped tightly in her arms, was noticed weeping hysterically. Sergeant Scott and Policeman Corner went to the scene and after dispensing the crowd succeeded in getting the woman to tell her troubles. The unfortunate woman had been called home a short time ago on account of the illness of her mother and when returning a few weeks ago was held up at the border and turned back. She has been living in St. John since that time and is now almost financially destitute. She wished to go to her brother in Lynn, Mass., where she intends to earn her own living. Her reason for acting in the manner she did was that every person seemed to care-free, when her condition was terrible, she could hold back no longer.

FIRST AND PARAMOUNT, ABSOLUTE SECURITY TO POLICYHOLDERS

"It's all I can do to care for my family without further obligations," you say.

If it's hard for you to provide for them, how much harder will it be for them to provide for themselves without you?

Better deprive them of some luxuries now in order to maintain life assurance, than that they should be deprived of necessities when you are gone.

An Imperial Life policy will care for your family if you die—it will provide for your own old age if you live.

Our interesting booklet, "That Home of Yours" tells how. Write for a free copy.
