The policeman said, and he stopped him and found four feathers. When asked where he got them at the north end of Protection street. On being taken back to where he found them, he showed the policeman a sack and he said he found them inside the door. P. R. Police man Norman Clarke, said that while patrolling No. 1 shed, Sand point, last night he saw a case marked "M. R. A." broken open and in bad condition.

HOUSING MATTERS

Loan Maximum Increased—Contemplate Erection of Brick Houses—Fire Loss Adjusted.

Commissioner T. H. Bullock, chairman of the St. John Housing Commission has received word from Ottawa that the federal government is willing to increase the maximum loan for houses to \$25,000 to \$40,000. The houses to be made through the local legislature some time ago for an increase of \$10,000 to make the maximum \$40,000, but the donation housing commission do not seem disposed to entertain this request. Mr. Bullock said this morning that the federal government is willing to proceed with the Douglas loan now taking up the question of brick houses for Douglas Court. Under the act the maximum allowance for brick houses is \$25,000 and the law allows the interval between houses to be four feet, whereas in the case of wooden houses they must be eight feet apart. It is felt that with the greater number of houses in the area and the increased amount of the loan, it may be possible to erect the brick type within the allowance. It is said that one of the local brickyards is to start this spring.
