### COUGHED, COUGHED ALL NIGHT LONG

Terribly wearing on the system is the cough that comes at night and prevents sleep. Sometimes it is a constant cough, rough that will not be quieted. Sometimes it is a choked-up, stuffy feeling that makes breathing difficult, and sleep impossible.

Whatever kind of a cold or cough you have, Dr. Wood's Norway Pine Syrup is the remedy you need to cure it, for the simple reason that this valuable preparation combines all the lung healing virtues of the Norway pine tree with which is combined wild cherry bark, and the soothing, healing and expectorant properties of other excellent herbs and barks.

Miss Margaret Landly, Bristol, P. E. I. writes "I am writing to tell you the benefit I have received from Dr. Wood's Norway Pine Syrup, and before the second bottle was used, I was entirely cured, and I have found this the best cough medicine I can buy."

Do not accept any other "pine" preparations when you ask for "Dr. Wood's." This remedy has been on the market for a quarter of a century. It is put up in a yellow wrapper; three pine trees the trade mark; price 50c and 80c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Last fall I took a severe cough and cold in my head. I was unable to do anything. At night I could not sleep, but cough, cough, all night long. A friend advised me to use Dr. Wood's Norway Pine Syrup, and before the second bottle was used, I was entirely cured, and I have found this the best cough medicine I can buy."
