**ST. JOHN GIRL IN HIGH  
 NEW YORK POSITION**  
 Miss Elizabeth Robinson, now Home on Furlough, Has Charge of Large Hospital

A St. John girl who has won high honors in the nursing profession in the United States is now visiting at her home here—Miss Elizabeth Robinson, daughter of Mrs. T. W. Robinson, Union street, and sister of Gilbert M. Robinson, Sydney street. She is now visiting her mother on a thirty days' furlough. Miss Robinson is in charge of the United States General Hospital, No. 41 on Staten Island, where there are now 2,000 returned soldiers patients. It is a very busy place. Most of the work done is in the nature of severe infection. Under the supervision of Miss Robinson are 150 nurses in training, 100 graduate nurses and 100 reconstructive aids—quite a task of supervision and management and reflecting credit upon her standing in the nursing profession. She is a graduate of the High school in this city.

A sister, Miss Ethel Robinson, has returned home after having been overseas with a unit from New York for some twenty-one months.

Committees were appointed to handle decorations, catering, programme and other details. It was decided to extend an invitation to out-of-town travelers to come here and assist the local men in their work.

**HOTEL AT BROWN'S  
 FLAT MAY PASS  
 INTO NEW HANDS**

Three Mentioned as Possible Buyers, One the Canadian National Railway  
 In connection with the Rockdale Hotel and grounds at Brown's Flats it is said that several tempting offers have been made to the owners, to sell, including one from a representative of the Canadian National Ry., and one on behalf of people in Philadelphia. It has also been said that the Beulah Camp people had taken an option on the property, but this was thought they said that it was true; it there was no option given.

The hotel property consists of about one-half of the estate of the late James L. Belyea, who died in January, 1915, and is immediately adjacent to the Beulah Camp property at Brown's Flats. The new Valley Railway line passes immediately to the rear of the property. The estate is now owned jointly by Mrs. C. Wilson Dager, of Lynn, Mass.; Donville Belyea, of the staff of M. R. A. Ltd.; Capt. B. W. Belyea of Calais, Me., and Mrs. W. W. Campbell of this city, all children of the late James L. Belyea. Mrs. Dager has been coming to St. John during the summer and managing the hotel, but on account of the increased amount of business done, she is not in a position to take care of it and for this reason it is expected that the hotel will change hands, if not this summer, at the close of the season.  
 One of the owners said yesterday that he understood the intention of the C. N. R. was, if they should get the property, to remodel or rebuild the hotel to increase the accommodation from its present capacity of thirty-five or forty to five hundred, to prepare a golf links on the grounds and lay out tennis courts and other attractions. The fact that the property lies between the river and the railway line, was given as the possible reason for its being in such demand at present. The hotel property consists of about twenty-five acres.

**Man In The Street**

After August 15, September 10 will be the next big day.  
 But the parade to city hall will hardly be so enthusiastic.

"Millions hang on one word," says a despatch about the Marshall Field estate. Quite a number have already done so on one word—guilty.

North End ministers say that prohibition is being well enforced. Sure—even the Indian town fountain is dry.

A man named Fisher was fined in the police court this week for selling short weight bread. We have now another parable—the loaves and fishes.

Ever see Serg. George Baxter handle the crowd of youngsters who gather at the Times office every afternoon to get their supplies of the evening journal? No sergeant-major who ever shouted "Shut it anything on George and its a cinch there never was a squad which required so much shunning and shunting as that mob of juvenile humanity.

To adapt the catch-word of a famous advertisement to existing conditions, the slogan on the Soldiers' Joy Day will be: "Have you a returned soldier in your home?"

There should be no more welcome guest than one of those men who have gone through it, and its a certainty that you will never have had a more appreciative one.

Speaker at local lecture urged adults to "drink two and a half quarts of water, each day, washing the body in it as well as out." There is no doubt that restaurants we've seen and heard this done with soup but water was generally more easily managed.

Milford is getting real "wanky." They're going to have a new hemlock sidewalk.

It looks as though Lieut. "Hard-Bolled" Smith of the U. S. Army, had given his name in anticipation of what may happen to him if some of those Doughboys get at him.

After all the reasons given as to what is the cause of delay in the work of the King street fountain, we are wondering what the reason is.

Somebody said yesterday that the stone had to be trimmed. All right; but don't start the same procedure against the taxpayers.

If the visit of the Prince of Wales will cause an improvement in the condition of the city streets, there is no doubt that he will be received with all the greater fervor. There is a rumor that if the prince can cause any improvement in the pavements the king will be asked to come and then—well, we'd hardly know our city.

More than three millions of dollars passed through the local banks during the last week. There is money in the city all right but for a lot of us its mighty tough scratching when the rent comes due.

Charlie Gorman of the Carleton baseball team nearly landed that fifty pound parcel of tea at the game in Carleton the other night. He put one a few feet off the score board. Charlie says he is keeping the kettle on the hot and expects to make the first brew soon.
