### A Man's Chief Concern With Winter Underwear

Is Comfort, Warmth and Durability. These are essentials of the satisfactory underwear. The look and feel of a shirt depend more on the maker than the fabric. Two shirts may be of the same material—but one will have a look of distinction and a feel of comfort that the other lacks. We have lines which look and feel just right.

### CLARK CASE MATTERS ARE MOVING ALONG

Detective Killen to Leave for New York Tomorrow or Saturday

It is expected that Detective Killen will leave tomorrow or on Saturday for New York to bring back Harry B. Clark, former manager of the Charlotte street branch of the Bank of New Brunswick, who is at present under arrest in New York city. It is understood that the extradition papers have been secured and that he will be brought to the city immediately. When he arrives here the usual course of procedure will be followed. He will be taken before Magistrate Ritchie in the police court for a preliminary hearing.

### THE NEW BRIDGE AT FALLS

Hon. John Morrissey, in the city today, when asked about the project for the building of a new structure across the river falls to replace the Suspension bridge, said that plans were still in course of preparation. They are being drawn up by a Montreal engineer. When ready they will be submitted to the St. John Railway Co. to see what course the street railway people would take in the replacement of the present bridge.

### LOOK FOR LARGE BUSINESS ON I. C. R. HERE THIS SEASON

Inspection of Terminal Facilities For Winter Port made Today—Much Grain Expected

After an inspection of the I. C. R. properties in this city, F. P. Brady, of Montreal, and J. T. Halliday, superintendent of the St. John-Toronto division, expressed themselves this morning as being greatly pleased with the appearance of the facilities for the handling of the increased winterport trade looked for this season. With L. R. Ross, terminal agent, they made a thorough inspection of the sheds, piers and yards, and were gratified, they said, with the result. They will leave this evening on their return home. The object of their visit was to see that the facilities for handling the winterport trade were in good condition. It will probably be two or three weeks before the first grain shipments for the elevator arrive in the city, but indications are that a large quantity of it will be received this season. Contracts are already out for the passage of from three-quarters to one million bushels of grain to come to the I. C. R. elevator. A prosperous year's business is expected.

### TWO BYE-ELECTION CONTESTS ARE UNDER WAY ON P. E. ISLAND

Dr. Dewar Opposes Premier Palmer and Professor McPhail and F. J. Nash are Opponents

Charlottetown, P. E. I., Nov 9.—(Special)—The island had scarcely emerged from the throes of a federal contest before it was plunged into another which, though not on such a large scale, is nevertheless very interesting on account of certain rather unusual features and from the fact that the fate of the provincial government practically depends upon the result.

Provincial bye-elections are to be held in the third and fourth districts of Queens on November 15. After the house prorogued last May, Premier Hazard accepted a judgeship, making a seat in the fourth district vacant. Hon. H. J. Palmer was appointed attorney-general and the premier thus automatically vacated his seat in the fourth district, which is known as the Port Augustus district. Hence the two vacancies and bye-elections.

Dr. Dewar, physician, who resides at Southport, just opposite Charlottetown, and the candidate in the Fourth District are: Prof. J. Nash, managing editor of the "Island Patriot," and Professor James McPhail, and a start will be made on the front buildings next week. The entire work will be completed in about four weeks. If the weather permits, a start will then be made on the concrete foundation, but if not the work will be delayed until spring.

### AN OLD FRIEND BACK AFTER MANY YEARS

Turtle Caught Near Nerepis Had in Shell Initials Carved More Than 30 Years Ago By Wm. Dunn

When he was quite a young man at his old home near Nerepis, William Dunn, now of Adelaide street, caught a fairly large turtle one day and before giving it its liberty carved his initials on its shell. He did not give much thought to the incident and a short time later moved to the city to live, and here he has since resided. He does not know exactly how long ago it was that he placed his monogram on the back of the turtle, but thinks it was thirty-three or thirty-five years.

### MAY BE DIFFICULT TO DECIDE ON PASTOR

The congregation of St. David's church will meet this evening to choose a pastor to succeed Rev. A. A. Graham, who left for Moosejaw on July 1. During the summer and fall the pulpit has been occupied by excellent preachers, from among whom the choice will probably be made. Owing to the number of clergymen whose names will receive consideration, and the eminent fitness of all of them, the choice may be a difficult matter.

Among those who were heard in St. David's during the last few months, were former pastors, Rev. Dr. George Bruce and Rev. Dr. J. A. Morrison and Rev. Dr. Thurlow, of Athens, Ohio, who was here on his vacation; and Rev. Messrs David R. Grant, of Hamilton, Bermuda; J. J. McArthur, of Newcastle, N. B.; H. R. Read, of West St. John; A. D. Archibald, of Boston, N. B.; Alfred Bright, of Ingersoll, Ont.; A. L. Fraser, of Great Village, N. S.; Donald MacPherson, of Montreal; and Andrew Reid, of Sault Ste. Marie, Ont.
