Loss Two More. The Marathons were defeated twice in Fredrickton yesterday by the league leaders, the first game going against them 11 to 0 and in the second game 8 to 2. Winkler pitched the first game and was found for thirteen hits. Steve White pitched the second game and was hit for twelve. Houlton pitched the first game for the Fredrickton team until they had it on ice, when Sharkey went in and finished. Hale pitched the afternoon game and allowed but five hits. The following is the summary:

Notes of the Game. Steve White appears to have hit the bobbin. It's too bad. Not a nice state of affairs when the captain and one of his men start scuffling on the field and bench. Winter struck out four times yesterday. He was up seven times. We had five errors in the first and three in the second. O'Keefe had two errors in each game. It is predicted that the Greks are due for another shake-up. That Fredrickton team is "some" team and they have the league championship almost handed.

Baseball. Doherty to Woodstock. Doherty, the Socialist "shortstop," has accepted the offer made him by the Woodstock club. His place in the infield will be taken by Bond, who has been transferred between the centre garden and behind the bat. Young Marathons Win. The Young Marathons defeated the Tigers 25 to 19 in an exciting game of ball last evening. Cheesman and Currie formed the battery for the winners and Dunham, Meely, Kinsella and Lavigne for the losers. Sign Callahan. The management of the Woodstock team have signed Callahan an infielder, who was recently released by Fredrickton. "Cy" Young's Farewell. The veteran Cy Young has again been honored with an unconditional release. This time the Boston Nationals, with whom Young signed just a year ago this month, have notified Young that he is a free agent. That does not mean, however, that Young will open negotiations with any other club, nor that he has the slightest intention of reentering the baseball field. As a matter of fact Young is through with baseball after so many years of consecutive service. He has always insisted that when he was through with the majors he would retire for all time, rather than drop down into the minors, and Detroit's attitude making good that assertion. Young, it will be recalled, was unconditionally released by Cleveland last year after having been bought by the Naps from the Boston Red Sox the year before. He pitched in a number of games during the latter part of last season, but the sting of his delivery was only partially there and this spring, when the training season came around, Young realized that there was no chance that the end of his pitching arm was at hand. He was taken west with the Braves upon his first trip, but instead of going to home in Paoli, O., for further rest and consideration. He came to the conclusion that he would not be able to go any further and last week his request of Manager Johnny Kling for an unconditional release was granted.

The Boston Americans—Boston will close the American League season on Saturday, October 5, at Philadelphia. Chicago will end its National League season on Sunday, October 6, with St. Louis at Chicago. The arrangement which would probably split both sides best and make the largest profits and the least inconvenience in traveling would be to play the Braves at home in Boston on Wednesday and Thursday, October 9 and 10. The teams could leave for Chicago on Thursday evening, arriving there on Friday evening, and could open the series at Chicago on Saturday afternoon, October 12, which is Columbus Day, and consequently a double holiday. The next game could be played on Sunday, October 13, and since Sunday baseball is permitted in Chicago it would be advisable to play the fourth game then.

Naps Buy Twirler. Cleveland, Aug. 20—Pitcher Brenner of the Racine team of the Wisconsin-Illinois league has been bought by the Naps for \$10,000. He is expected to take a fall out of the Americans and they would have succeeded but for the umpire's evident misjudgment. It was a good game and everyone stayed until the finish. The Woodstock twirler pitched good ball for the ten innings, and pulled out of some bad holes. Every man on both teams went after anything that looked like a chance. The Houlton bunch played with great snap and noise. Aside from pretty catches by Lemurray, Black and Perley, there were no fielding features. Doherty, the new short stop, did fairly well. Callahan, who comes from the Fredrickton team, is still very lame, and not yet in condition to play first base, although he appears to have the ability to make good if he can get into shape. Box score follows:

Diamond Sparkles. President Casey's half-pitched catch Ray Shalk, acquitted himself very creditably on his entry in the big league. He had no trouble finding the opposing pitcher. From now until the close of the season, October 7, the scores will fairly bristle with new names. The youngsters who joined the second division teams will all have a chance to distinguish themselves, but the first division aggregations will not make much of a fuss about the rookies. The vets will suit them.

Both Red Doherty and Horace Fogel agree that Pitcher Brennan will not be of much service to them this season. While he is recovering from his attack of diptheria, they feel certain that he will not be strong enough to pitch. Beals Backer did pretty well in six times at the plate recently. He got three bases on balls and bunched his head against a ball three times. No ill effects ensued from the bumps. Russell Blackburn is expected to report to Hugh Duffy in Milwaukee. Catcher Block has balked at the salary offered him and he also insists on getting paid before the season starts. He will be gone for weeks that he will lose because he will be moved away from Chicago. The American association season ends on Wednesday, the American League closes.

Grover Land, whose pugnacious disposition got him "in bad" in major league company, is catching great ball for Toledo. If Land would not lose his head he would be a valuable backstop for any major league team. Davy Jones, the Tiger, should prove a find for Manager Charlie Carr of the Kansas City team. Jones has hit well all season for Detroit. The race in the American association is as exciting as in the American League, Minneapolis, Columbus and Toledo are lunched, but Manager Joe Cantillon expects to land the flag, as the Millers play out their string in Minneapolis.

Boats Tonight. Tommy O'Keefe vs. Leach Cross and Phil Cross vs. Young Brown, New York. Johnson Waits. Chicago, Aug. 20—Jack Johnson's forfeit will not be posted until Joe Jeannette's money is up in New York, he said Monday night. Nor will Johnson do any training for the match until he is assured the state boxing commission will permit the fight to be staged. "It would be useless for me to train if there was no chance to fight," he said. To close friends, Johnson, Monday, said he was not anxious to fight Jeannette or anyone else. "I went into this affair just to please my wife," he said. "Training is hard work and I'd rather rest." Johnson now weighs about 250 pounds, a little more than he weighed when he started to train for the Flynn fight.

Matches for Johnson. Milwaukee, Wis., Aug. 21—Thomas S. Andrews, United States representative of Hugh McIntosh, has received a cablegram from McIntosh agreeing to post a forfeit of \$15,000 with Alderman Al Carney, of Chicago to bind the proposed matches of Jack Johnson with Sam Langford and Sam McVey.

Says He is Marvin Hart. Seattle, Wash., Aug. 19—A man who declares he is Marvin Hart, former heavyweight pugilist, is in a local hospital seriously injured as a result of being struck by a Great Northern Railroad train yesterday. After proclaiming his identity the man lapsed into unconsciousness and his statement could not be verified. The injured man was picked up on the Great Northern tracks a few miles outside of the city. Clad in shabby garments with several days' growth of beard on his face, and with no money or articles of value on his person, he was set down as a "hobo" and sent to the county hospital. When he regained consciousness he refused to state his identity, but after the surgeons advised him of the seriousness of his condition he told them he was Marvin Hart, prize fighter. Marvin Hart is the heavyweight to whom Jeffries made a present of the heavyweight championship.

A Coming 133 Pounder. New England is now represented by an older worthy candidate for honors in the heavyweight division. The name division of the 133 pounders is little Gilbert Gallant, who has been with the Naps in Chicago. Gallant is known, meets with no unfavorable should be battling with the "head-line" best heavyweight yet developed in the west. While he is first important bout in the east. Gallant is known, meets with no unfavorable should be battling with the "head-line" best heavyweight yet developed in the west. While he is first important bout in the east.

Joe Jeannette, the Hoboken negro heavyweight, expects to meet Jack Johnson next month, met Jeff Madden of Boston for a ten round bout in Madison Square Garden the other night and so outclassed his man that the fight was stopped in the second round. Jeannette weighed 196, five pounds heavier than his opponent. The Boston pugilist appeared at poor advantage at the start and in the second round went to the floor three times. A short right uppercut sent him down the first time and he was so weak from this and previous blows that he practically fell down twice. Tom Sharkey was introduced to the large crowd present and said he intended to enter the ring and wanted to meet Bob Fitzsimmons or Tommy Burns.

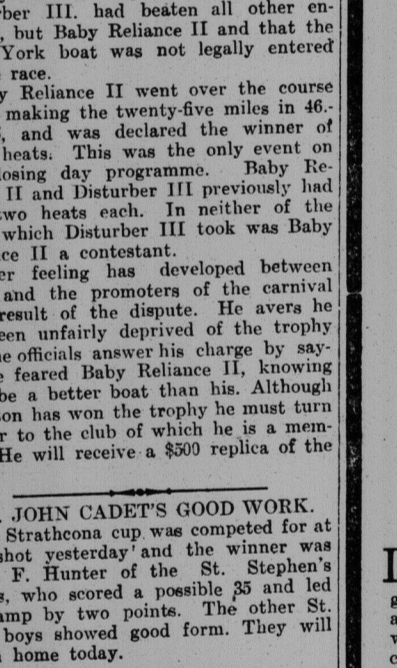

Provincial Tournament. The following were the results of yesterday's play in the Provincial Tennis tournament: Ladies' Singles. Miss F. Hazen defeated Miss J. Church, 6-1, 6-2. Miss F. Hazen defeated Miss C. Schofield, 6-2, 6-3. Miss M. E. Robertson defeated Miss L. Fisher, 6-2, 6-2. Mrs. J. R. Thomson defeated Mrs. J. T. Wood, 4-6, 6-3, 6-2. Ladies' Doubles. Alward, 7-6, 6-1. H. Evans defeated M. Dell, 6-0, 6-1, thus winning the junior boys' single championship. The Turf. Fine Horses Dead. Halifax, N. S., Aug. 20—Four valuable racing horses died yesterday at Middleton from cerebral apoplexy meningitis. The victims of the disease include the mare Terrence Queen, 2:08, owned by C. E. Dewitt, of Bridgetown, and valued at \$7,500. Terrence Queen was one of the finest bred

mares in the lower provinces, and is said to have headed the famous Dun Patch in a heat before she came to Halifax. Another victim of the disease, which is not contagious, is Harry Lydiard's Ferona, 2:21 1/2. A mare owned by Dr. Fauley, together with her yearling colt, are also dead. The epidemic and the death of these horses were precipitated by the continued rains washing the animal and vegetable contaminations of an extended area into the well on the race track grounds, thereby giving the water no chance to be filtered as heretofore during low rainy seasons.

Trouble Over Cup. Chicago, Aug. 21—J. Stuart Blackton, owner of the power boat Baby Reliance II and member of the Atlantic Yacht Club of New York yesterday was declared winner of the Wrigley \$25,000 trophy by the judges at the water carnival. It is probable that Blackton will have to make fight in the courts to obtain the trophy. James A. Pugh, owner of Disturber III, who asserts his boat is entitled to the trophy, has retained an attorney to seek to enjoin the judges from presenting the cup to Blackton. Baby Reliance II went over the course alone, making the twenty-five miles in 46:35 2/5, and was declared the winner of three heats. This was the only event in the closing day programme. Baby Reliance II and Disturber III previously had won two heats each. The matter of the heats which Disturber III took was Baby Reliance II a contestant. Bitter feeling has developed between Pugh and the promoters of the carnival as a result of the dispute. He avers he and the officials answer his charge by saying he feared Baby Reliance II, knowing it to be a better boat than the trophy he must turn over to the club of which he is a member. He will receive a \$500 replica of the cup.

ST. JOHN CADET'S GOOD WORK. The Strathcona cup was competed for at Alderhot yesterday and the winner was Sergt. F. Hunter of the St. Stephen Cadets, who scored a possible 35 and led the camp by two points. The other St. John boys showed good form. They will return home today.
