Carpenter and Siki.
Paris, Dec. 11.—A second Carpenter-Siki fight seems a certainty according to Le Journal, which says that President Rousseau, of the Boxing Federation, is inclined to be clement toward the Senegalese.
"I will box Siki under any conditions as to date to be fixed upon my return to Paris this evening," Carpenter telegraphed Le Journal from Brighton, England, last night. "Please say that I beat Siki would be the greatest joy of my life." The message added that Georges was to get the opinion of surgeons as to the condition of his hands, which were injured in his bout with Siki.
Siki appeared today to deny that he had committed suicide or that he had been thrown into the river, as had been widely reported.

Boxer Drugged.
New York, Dec. 11.—The State Athletic Commission yesterday suspended Henry Segal, manager of Danny Lee of New York, and Mickey Curran, manager of Phil O'Dowd of Columbus, Ohio, for irregular practices in a recent bout here between the two fighters. The commission stated in its finding of the bout, in which O'Dowd was knocked out in the fifth round, that, although no positive evidence had been brought to light, they were convinced that the Columbus boxer had been drugged.

MARITIME MATTERS BEFORE A.A.U. OF C.

The thirty-fifth annual convention of the Amateur Athletic Union closed its sessions in Montreal on Saturday. J. P. Mulqueen of Toronto, a well known sportsman, was elected chairman of the Olympic committee.
The west and east were distinctly divided on two motions. The first one, swung by the western delegates, debarred former professionals from acting as representatives of amateur bodies at gatherings of union officials, the second, favoring the reinstatement of Wes. Wellington, of Port Arthur, formerly a professional in the maritime provinces, was lost when the east solidly opposed it.
Vice-president Millie of the maritime provinces, discussing the Wellington affair, said that, if reinstatement was granted, the maritime provinces would drop from amateur control. He explained that in the far east they were swamped with traveling players and some strong action had to be taken to check the evil or they might as well give up trying to keep amateur athletes alive in the maritime provinces.
Officers for the year were elected as follows:—President, Judge J. J. Jackman, Montreal; first vice-president, W. E. Findlay, Montreal; second vice-president, A. W. Covey, St. John, N. B.; treasurer, Claude Robinson, Toronto.
Manitoba got the Canadian championship boxing and wrestling for the coming year, while the maritime provinces received the track and field events which will probably be held on the Wanderers' grounds, Halifax, toward the end of the summer. The tug-of-war was awarded to the Canadian National Exhibition at Toronto.
J. P. Mulqueen opposed as class legislation a rule proposed by J. H. Crocker, which would permit qualified physical directors to be reinstated as amateurs after one year, should they leave their profession. No action in the matter was taken.

MORE LEPROS ARE PAROLED WITH AFFLICTION CHECKED

Honolulu, T. H., Nov. 15.—(By Mail).
Paroles for nineteen inmates of the Kalapaupau leprosy hospital on the islands of Molokai, some of whom have been confined to the settlement for more than twenty years, have been recommended by the Territorial Board of Health as the consequence of the successful results that have attended their treatment with chaulmoogra oil specific, evolved by Dr. A. L. Dean, president of the University of Hawaii.
The latest paroles, to sixteen men and three women, brings to nearly 200 the number of persons who have been treated in Hawaii since 1919, when the specific was discovered, according to a health board announcement.
Persons released on parole are not considered to be cured, but the examining physicians believe the disease has been checked in their cases sufficiently to permit them to mingle with other persons without danger.

CANADA'S FINEST ATHLETE

Lionel Conacher, aged 22, is declared to be the best all-round athlete in the Dominion. He has excelled in football (he is captain of the Argonauts) hockey, lacrosse, baseball, boxing and wrestling. He has just refused \$5,000 a year to become a professional hockey player.

WHEN CHRISTMAS CARD TIME ARRIVES

YOU NATURALLY
THINK OF

McMillan's

"IT IS IMPOSSIBLE for a man or woman to say that he or she has nothing to give. The heart, the time, and a kindly thought are often worth more than gifts that cost money. A Christmas, or a Birthday card often means more than a painting or a jewel. The unexpected bestowal adds much to its value."

This is the opinion of America's greatest Merchant Prince.
