The number of scholars on the roll at present is 206—117 male and 89 female.

It is our sad duty to record the loss by death of Miss McFarlane, one of our brightest and most earnest teachers. She had been in the school from childhood, and was beloved by all.

We have also to mourn the loss of Mr. J. Murray Smith, a most devoted friend, to whom we were indebted for many acts of kindness.

The following teachers have resigned their classes, some of them only temporarily, we hope:—Miss Barron, Miss A. McFarlane, Miss K. Logie, Miss Ira Monk, Miss Mills, Mr. Newman, Mr. Mitchell, and Mr. Archibald. Our thanks are tendered to them for their faithful work whilst with us.

The following teachers have been admitted:—Miss Mackie, Miss Boyd, Miss Williamson, Miss Cameron, Miss Marion Cameron, Miss Norris, Miss Ewing.

The teachers desire to thank the Rev. Dr. Barclay for his kindness in taking the Sunday-school lessons as the subject of his Wednesday evening meetings. They have been much benefited by his instructions.

The elders have been attentive in visiting the school from time to time, and some of them assist in teaching.

\$228.19 has been contributed by the scholars for Missionary purposes.
