

Highest of all in Leavening Power.—U. S. Gov't Report, Aug. 17, 1889.

News Summary.

DOMINION. — Lady Dufferin is to write a book on Canada. — The Nova Scotia legislature closed on Tuesday, the 19th, after a session of forty days. — William Thompson, who fought at Waterloo, died recently at River John, Pictou Co., at the age of 108. — Louis Cleaver while taking breakfast at the Stanley house, Kingston, ate too rapidly and a piece of meat choked him to death. — James Kane was executed last Thursday morning at Belleville, Ont., for the murder of his wife, committed on the 23rd of March last. — J. E. Woodworth, formerly editor of the Western Chronicle, has bought out the Belleville News, and will commence the publication of that paper shortly. — Owing to the prevalence of diphtheria at the Ladies College, Halifax, it has been decided to at once close the term, which otherwise would have lasted till the middle of June. Nine of the pupils are down with the disease and have been sent to the hospital. — Hats attacked two children, twins, who were sleeping in their mother's bedroom in a house on Brunswick lane, Halifax, a few nights ago. Large pieces of flesh were bitten from both, poisoning set in and it was with difficulty that the danger of fatal results was avoided. — The Western Chronicle relates that a two-year old sow, belonging to Mr. Leonard Ward, of North Alton, King's County, N. S., a few nights ago obtained entrance to his cow stable, attacked a cow which was lying down, and so badly injured her that she had to be killed. — Our orchardists inform us, says the Bridgetown Monitor, that the apple blossoms, now near to bursting, give evidence of unusual prolificacy, and if the usual season to a full crop do not prove equally abundant, they hope for a full harvest at the close of the present season. — Piguet, arrested about three weeks ago, in Halifax, charged with the embezzlement of \$40,000 from D. Sullivan, of San Antonio, Texas, has been committed for extradition by Judge Meagher. His counsel contends that he cannot be extradited under the evidence for embezzlement, chiefly because the evidence is not good. It is also contended that the crime, if any, is not embezzlement. The counsel for the prosecution will apply for a writ of habeas corpus. — The following is going the rounds of the news columns: A private meeting of the Maritime Province Club in Tremont Temple, Boston: "We shall have some good addresses," said a member. "We have plenty of ministers, doctors, and lawyers, provincials by birth. No less than thirty-six of the well known ministers of Boston were born in the Maritime Provinces. Indeed there is one county in Nova Scotia that claims to have but two products, lumber and Baptist ministers. As to doctors and lawyers, I do not know how many there are here."

UNITED STATES.

The alienism of Boston have authorized the city treasurer to borrow \$3,500,000 for city needs. — At Denver President Harrison received not only an address, but a brick of refined silver, weighing 80 ounces. — It is reported that the Rev. Sam Small's accounts with the Utah University are unsatisfactory, and the matter is causing trouble. Small has resigned but his resignation will not be accepted until he settles his accounts. — Worms don't let us kindly to Pouter's Lead: children or others troubled with worms should try it. It is a remedy, easily administered, safe and effective. Ask your druggist for it, or any dealer.

It is put up in 5 lb. Bags, and is made of purest, selected Wheat. By a special process of mixing with the golden portion of a strong wheat, BROWN BREAD FLOUR is made a superior Flour. A perfect food for children, making them strong and vigorous; also imparts strength to the aged. Brown Bread Flour makes most delicious Cakes or Biscuits.

BROWN BREAD FLOUR. Shows the same of perfection in flour milling. Eighteen years ago this Flour was known as Canadian Huxall, but on account of litigation with H. S. Miller, the name was changed to Walzen about 1874, and finally, after the latest improvements of milling brought forth this unexcelled BREAD and BLEND Flour, Golden Eagle. The Eagle Mills contain five sets of Chilled Iron Rollers by which the Red Winter and White Wheats are gradually reduced, the further reduction of millings being performed on Porcelain Rollers, no mill stones being used in this process, so that all the wax germ which deaden Bread, so-called, are left out, and the nutritious health-giving layers that lie near the surface are retained. This is the "Eagle" Flour especially recommended to those who want a White, Moist and Sweet Bread. Of course the price is high, but then the better quality of the article and the certainty of its purity, warrants the consumer in paying a little higher for it than for commoner grades.

Ash, after a short illness, April 24, Melissa Ash, aged 21 years. Our deceased sister was a member of the 2nd Falls Baptist church, and died trusting in Christ.

LAWSON.—At Lake George, May 8, of a gripe, James Lawson, aged 66. He leaves a loving wife, and a son and a daughter to mourn their very great loss. Our now widowed sister has had great affliction. She has lost nine children, and now her husband, who left her for other regions far away. We pray that God may cheer her sorrowing heart in this affliction and all her children. Funeral sermon preached by H. D. Worden, pastor.

JONES.—At Lower Prince William, May 6, consumption. Bessie, beloved wife of Cook Jones, and daughter of Mrs. Susan Harpur, aged 27, leaving an affectionate husband and two children to mourn their loss. Our sister had professed faith in our Lord some two years ago or more, and was baptised and received into this church by Rev. Calvin Curtis, so the writer is informed. However, she has fallen asleep in Christ. Her end is peace.

PARSON.—In the death of Clifford, son of Isaac Alphonso and brother of Rev. L. A. Palmer, of the Dorchester Baptist church, loss one of its best young members. From the day of his conversion, four or five years ago, his life was characterized by earnestness and activity in the cause of Jesus; and during the last few months talents improved in such a marked degree that the pastor regarded him as one who might be called to the highest Christian service on earth. But My thoughts are not your thoughts, neither are your ways My ways, saith the Lord. Stricken down with pneumonia, in nine days, May 16, 1891, in the 21st year of his age, he died. Being at the time of his death a member of the Sabbath and public schools, both schools were the citizens in general, attended the remains to their last resting place. The aged parents and all the sisters and brothers, one excepted, are realizing in this sad bereavement the fulfillment of many "exceeding great and precious promises."

WATSON.—At Springfield, Kings Co., N. B., on the 19th inst., Elias G. Watson, aged 39 years. Last autumn our brother made a public profession of his faith in Christ, and was baptized into the fellowship of the 1st Springfield Baptist church by the Rev. S. H. Cornwall, both of that town. He was stricken down by the hand of disease, but throughout his tedious illness he was sustained by an immortal principle. Never a murmur escaped his lips, but with unwavering faith in his Redeemer he went down to death. Such an example of Christian patience is rarely ever witnessed. His pathway was that of the just, which shows brighter and brighter as he neared the perfect day. Five children had pro-
