## STEAMSHIP NOTES.

The Allan Line Parisian, arrived at Halifax Tuesday from Glasgow after a very fair passage during which no incident of note occurred. She had nearly 400 passengers and a cargo of freight for Halifax.

White Star Dominion Line steamer Canada at Portland, Me., landed nearly 800 passengers, all bound for Canada. A very large proportion of them were English people, among them being a Francis family of girls going to Canada and a Marquette party of 260 men coming over in charge of the agent of the governor of the province of Ontario, who has secured work for them all on farms in Ontario and Quebec. Among the passengers landed was the young Englishman who has been in the provinces for some time and left Portland for England on the last trip of the Canada. He brought with him a young and pretty English girl, but as he had omitted to marry her in the Old Country, the inspectors induced him to do so Monday night before they left with the other passengers for Canada.

Had Pimples on Face And Back Was Literally Covered With Them.

Bad blood is the direct cause of pimples breaking out on the face and body, and it is impossible to get rid of them unless you cleanse the blood of all its impurities.

Burdock Blood Bitters is without a doubt, the very best medicine for this purpose.

This old and reliable remedy has been used for over thirty-five years, and has a reputation unequalled by any other for purifying the blood.

Mr. Peter La Pierre, Assistant Postmaster, Touchwood, Ont., writes: "The fall before last, I was very much troubled with pimples on my face and back. My back was literally covered with them, and I could not lie on it at night, they were so painful. One day my sister advised me to use Burdock Blood Bitters, so I got two bottles, and before I had taken all the first one, the pimples had nearly disappeared, and now I am completely cured."

## EDITOR OF PEASANT GAZETTE ARRESTED FOR ALLEGED LIBEL

Montreal, April 16.—Editor Konrad Bercovici, publisher but once a year, the Peasant Gazette. It comes out to commemorate the Hebrew Passover feast, but despite the infrequency of its issue, it is not immune from actions for alleged libel.

The editor of the once-a-year, was arrested this morning, it being charged that passages in the paper issued yesterday were directed against certain people, who, it is alleged, fought constantly against the last garment workers' strike, breaking the laws of the union, and "scabbing."

Mr. Bercovici claims that his paper is made up of humorous annals and witty sayings and that it was simply intended to portray a bit of humor, without malice. He is out on bail.

A Long Month.

Dr. Hirschberg writing on "That Third Feeling," in Harper's Weekly, says: "A week in bed in April may save you six weeks in June."

Yes, but what is so rare as forty-two days in June?

## QUICKLY STOPS THE WORST BACKACHE

Makes Kidney Troubles, Bladder Disorders, and Rheumatic Pains Vanish

If you suffer with backaching kidney trouble, has disagreeable bladder and urinary disorders, or are tortured with rheumatism, stiff joints, and its heart-wrenching pains, the new discovery, Croxone, will quickly and surely relieve all such troubles.

Croxone is the most wonderful remedy yet devised for relieving the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sift out and filter away all the uric acid and poisons from the blood, and leaves the urinary organs clean, strong, healthy, and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back and sides, or have any signs of Croxone, bladder trouble or rheumatism, such as puffiness swelling under the eyes or in the feet and ankles, if you are nervous, or if your kidneys are authorized to return the purchase price if it fails in a single case.

## TERRIBLE RESULT OF BLOOD POISON

After Three Operations Zam-Buk was Tried and Proved Successful.

If people would only use Zam-Buk for chronic sores, blood-poison, etc., before permitting an operation, scores of limbs would be saved.

Mr. Robert Patterson of North Pelham, Newland Co., Ont., writes: "My daughter, Annie, had blood-poison in her finger. The doctor operated twice on the finger, but did not obtain the desired result, and a third operation was considered necessary."

"Three doctors were present at this operation, but after it had been performed the wound did not heal. Try as we would, we could not get anything to close the wound."

"We at last tried Zam-Buk, and it was really wonderful to watch how this balm healed the wound. Each day there was a marked improvement. First the wound in the palm of the hand closed and then the finger which had been so long began to heal. The diseased flesh seemed to rise out of the wound and then drop off, and new healthy flesh formed from below, pushing out the diseased tissue. In a short time the wound was completely healed. Had we applied Zam-Buk at first we might have saved the finger."

"We had another proof of Zam-Buk's power in the case of my son. When two years old he had his hand badly mangled. One finger had to be amputated and it left a running sore for some months. This wound, also, was finally healed by Zam-Buk."

For chronic sores, blood-poison, ulcers, abscesses, scalp sores, piles, eruptions, inflamed patches, eczema, cuts, burns, bruises and all skin injuries and diseases Zam-Buk is without equal. 50c. box all druggists and stores or postpaid from Zam-Buk Co., Toronto, for price.
