

NEW HIGH LEVEL FOR CROWN LANDS OF PROVINCE

Fredericton, Jan. 6.—A new high level for the sale of crown lands was reached when an isolated lot of 48 acres in the Parish of Hammond, southeast of Salmon River Lake, Kings County was bid in at auction at the Department of Lands and Mines at noon today by C. T. White & Sons, Sussex, at \$49 per acre. The upset price was \$20, and there was a charge of \$70 for surveys, which brought the total receipts from this one lot up to \$2,128.

MOTHERS' ASSN. HOLD MEETING

Cathering in St. Mary's Church Yesterday—Supper Served to Fifty Children—Prayer Book Presented to Mrs. A. W. Chamberlain.

A meeting of the Mothers' Association was held yesterday afternoon in the St. Mary's Church. After the usual routine business, a dainty supper was served to about fifty children, who were afterwards presented with prayer books taken from the Christmas tree by Rev. R. Taylor McKim. A handsome prayer book, with her initials engraved in gold lettering, was presented to Mrs. A. W. Chamberlain, secretary of the Mothers' Association, showing the esteem in which she is held by the members. After a short prayer, the meeting was brought to a close.

A SPECIAL MEETING

A special meeting of the Mission Band of the Central Baptist Church was held at the home of Mrs. R. D. Christie, Sydney street, last evening. After a short session the members adjourned to attend the prayer service at Centenary Church.

Will Take Off All Excess Fat

Do you know that there is a simple, harmless, effective remedy for overweightness that may be used safely and secretly by any man or woman who is losing the almsiveness of youth? There is; and it is none other than the tablet form of the new famous Marmola Prescription, known as Marmola Prescription Tablets. You can well expect a reduction of from two to four pounds a week without dieting or exercising. Marmola Prescription Tablets are sold by all druggists at \$1 for a large case, or if you prefer you can order direct from the Marmola Co., 184 Woodward Ave., Detroit, Mich.

ACCEPTED POSITION. Miss Faith D. Henderson, B. A., daughter of Mr. and Mrs. George A. Henderson, King street east, has accepted a position on the teaching staff of Mount Allison Ladies' College, Sackville. She will leave in a few days to take up her duties there, and the hearty wish of her many friends for success will go with her.

Children Cry for Fletcher's

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

POLICE PROTECTIVE ASSOCIATION MET

Reports Received and Officers Elected Monday—Harry Donahue Chosen President—Will Hold Skating Sports

A regular meeting of the Police Protective Association No. 51 was held Monday night when the election and installation of the officers for the coming year took place. The officers elected were President, Harry Donahue; vice-president, John Linton; recorder, secretary, William Gibbs; treasurer, Steven Spinney; warden, John H. Saunders; guard, Richard Hoeg; chaplain, Patrick Biddiscombe. A strong committee was appointed to look after the sports which are to take place in the near future and other important business was transacted. The association is in a strong financial position and the outlook for the coming year is very hopeful.

OBITUARY

Moncton, N. B., Jan. 6.—Death came suddenly today to George A. Tingley at his home, Leeger's Corner. Mr. Tingley was stricken with hemorrhage of the brain just before noon hour and passed away about half past five in the afternoon. His sudden death was a great shock to his family and will be mourned with deep regret by the wide circle of friends and acquaintances throughout the county by whom he was held in the highest esteem. Mr. Tingley was well known as a very successful farmer. He made a study of scientific agriculture and put his knowledge to practical use in his farming operations. Deceased was 58 years of age and was born in Sackville, being a son of the late Thomas A. Tingley, who in his lifetime was well known in Sackville and Dorchester. Deceased was twice married. His first wife was a daughter of Thomas Schur, of Dorchester, and to them was born three sons and one daughter. His second wife was a daughter of Upper Dorchester, Arthur of Leeger's Corner, and Lieut. Luther Tingley recently returned from overseas after spending about four years in France and Belgium. The daughter is Miss Jetta Tingley, nurse. His second wife was Miss Annie Turner, of Port Elgin who survives. He was twice married and leaves one daughter, Gladys, at home.

EBENEZER MACKAY Halifax, N. S., Jan. 6.—In the death of Professor Ebenezer Mackay, who died at the Halifax Infirmary tonight, Nova Scotia loses one of her foremost educationalists and most sterling characters. For more than two decades he held the chair of chemistry and mineralogy at Dalhousie College. Dr. Mackay not only won a warm place in the hearts of many hundreds of students, but also played an active part in the life of the community. His death will be a profound shock to his many friends. He was taken ill with pneumonia over a week ago and for the first six days showed every sign of recovery, but today, however, his condition became critical. Dr. Mackay was fifty-six years of age. He was born at Pleasantfield, Pictou County, in 1864. His father was Angus Mackay who came from Rosal, Sutherlandshire, Scotland. His mother was a daughter of the Pictou Academy. Next he came to Dalhousie and was awarded his bachelor of arts with first class honors in 1888. He was twice awarded the MacKenzie gold medal.

YOUNG PEOPLE'S SOCIETY OF TRINITY

The Anglican Young People's Society of Trinity Church at their meeting last evening held a social gathering at which games and a short programme were enjoyed. Rev. D. H. Lowther read a paper on Twelfth Night and its observance and a violin solo was given by Ernest Story. A number of games arranged by Miss Nellie Ugham and Mrs. W. H. Irving were entered into with much zest by all present. Refreshments were served by a committee with Miss Steed as convener. The evening was in charge of Miss Helen Bailey, vice president of the A. Y. P. S.

Diocesan Board Women's Auxiliary

Meeting in Trinity Church Largely Attended Yesterday—Splendid Reports Received from the Branches—Many Boxes Packed for Christmas. A largely attended meeting of the Diocesan Board of the Women's Auxiliary was held yesterday afternoon at Trinity Church. Mrs. J. H. Curran, secretary, Mrs. W. D. Foster, corresponding secretary, reported on new life members from St. Luke's church, Mrs. Scott. A letter was read from Mrs. John A. McAvity asking that all W. A. members should attend the United Missionary meeting to be held in St. Peter's Church on Friday afternoon. She also asked that two representatives from the W. A. should be appointed for the Board of the United Women's Missionary Society. Mrs. John A. McAvity and Mrs. T. Corry Green of St. George's Church were appointed.

The treasurer, Mrs. McIntyre, reported receipts for December \$488.85. Expenses \$200.15, leaving a balance in the bank of \$288.70. A letter was read from the Dominion treasurer regarding the increased cost of the Letter Leaflet owing to the high cost of paper and it was decided to pay \$30 towards the deficit. In the Diocese there are 1253 subscribers. Mrs. G. F. Smith stated that at the meeting at Hamilton, this matter had been thoroughly discussed and it was felt that the subscription prices would have to be increased. Mrs. Allan Daniel suggested that each branch should contribute their share of the \$30. The Dorcas secretary, Mrs. John Hay, reported that two splendid bazaars had been held at the Indian School at Chapeau. Christmas tree boxes for country schools had been sent from the branches as follows: Fredericton, St. Paul's, St. John, St. Paul's, Ruth's, Moncton Girls, Trinity Girls, Fredericton Girls, St. James Girls, St. Paul's Girls. One fine box had gone to a vacant mission where a lady keeps up the Sunday School. Other Christmas boxes had been forwarded by Stone Church Seniors and the Trinity Seniors. Mrs. Robinson reported that Hampton and Renforth had sent fine contributions to the Christmas boxes sent from the Church of England in the city.

Mrs. James F. Robertson in her report said that the best lot of literature ever forwarded had been packed and that a vote of thanks be passed to Robert Dibble who had done all the packing. Many letters had been sold. Mrs. Robertson also stated that the need for these was pointed out by the Rev. D. H. Lowther at which she will speak. The Leaflet secretary, Mrs. Coster, reported that there are now 1260 subscribers, 55 new ones having been added during December. Miss Clara Schield, 67 Hazen St., is acting as Girl secretary in place of Miss Frank. Mrs. J. H. Curran gave an appreciative account of the excellent work being done in Toronto by Miss Edith Day, a St. John girl, who is a deaconess there. The secretary was asked to send a greeting to Miss Day from the W. A. Miss Paula MacKenzie, Junior Superintendent spoke of the good work accomplished by the Junior's at Christmas, nineteen branches having sent boxes and urged that more branches should be formed and more members raised in John branches already established.

For the Baby's Branch Mrs. Evans reported that there is a new branch at St. George's Church with twenty-five members, and three new members have joined the Fairville Church. For the Extra Cent Day Fund, Miss Hamilton stated that \$88.82 was raised for the fund. This sum be voted towards a sewing machine for the Gordon Indian School, Sask. Mrs. Evans suggested that this sum be voted towards a sewing machine for the Gordon Indian School, Sask. Mrs. Evans suggested that this sum be voted towards a sewing machine for the Gordon Indian School, Sask.

After the singing of a hymn, the meeting closed with the benediction.

Board of Health Monthly Meeting

Considerable Business Transacted Yesterday—Reports from Inspectors—Dr. Ellis Remains as Medical Inspector—Drainage of Marsh Creek Dealt With.

The monthly meeting of the Board of Health was held yesterday in the Board's rooms, Princess street. Among those present were Chairman John Kelly, George Blake, Dr. L. E. Curran, Secretary Burns, Mrs. Richard Hooper and Walter Burns. It was announced that W. H. Kettle had been added to the staff of the Board in the capacity of clerk, because of the merging of the registry of vital statistics with the work of the Board of Health under the new Municipal Institute, which went into effect on January 1st. Mr. Kettle has been hitherto located in the Government offices on Prince William street. Secretary Burns informed the meeting that a leading physician, after refusing to fill out the forms certifying as to death, decided to comply with the new regulations in this particular instance, but daily asserted that it was the last that he would fill out. This matter brought up considerable discussion and it was decided that as an almost identical form was being used in the leading centres of Canada and the United States, that the matter should be brought to the attention of the Minister of Health, with the importance of the filling out of the required forms be fully explained to the medical fraternity. While the majority of practitioners have readily complied with the new regulations, a few have flatly refused to do so. In view of the newness of the regulations it is hoped that the doctors will be fully informed of the requirements. The report of the Food and Dairy Inspector, Dr. T. E. Johnson, for the month of November was read. Eight samples of milk had been submitted for bacteria test, and 30 for butter fat; 143 herds of milk cows and 21 dairies had been inspected in Kings County. The Board was notified that the Department of Agriculture would assume all expense in connection with the Child Welfare Exhibition held at St. John's last week. The legality of harboring cows within the city limits was discussed by the Board, following the formal application of Harvey P. Hayward to a vacant mission where a lady keeps up the Sunday School. Other Christmas boxes had been forwarded by Stone Church Seniors and the Trinity Seniors. Mrs. Robinson reported that Hampton and Renforth had sent fine contributions to the Christmas boxes sent from the Church of England in the city.

The Board was notified that the Department of Agriculture would assume all expense in connection with the Child Welfare Exhibition held at St. John's last week. The legality of harboring cows within the city limits was discussed by the Board, following the formal application of Harvey P. Hayward to a vacant mission where a lady keeps up the Sunday School. Other Christmas boxes had been forwarded by Stone Church Seniors and the Trinity Seniors. Mrs. Robinson reported that Hampton and Renforth had sent fine contributions to the Christmas boxes sent from the Church of England in the city.

It was decided to look into the case of Mr. Hayward, who will be notified of the Board's decision later. Other citizens are also keeping cows within the city limits, as was disclosed by the fire on Mill street some time ago. Major Pugh, of the Military Stores Department, communicated to the Board his instructions to deliver certain stores to the Board and asked what the requirements were. The matter was referred to the Provincial Minister, Dr. Roberts. A substantial cheque was received by the Board from the city for services in bacteria tests for water and other citizens are also keeping cows within the city limits, as was disclosed by the fire on Mill street some time ago. Major Pugh, of the Military Stores Department, communicated to the Board his instructions to deliver certain stores to the Board and asked what the requirements were. The matter was referred to the Provincial Minister, Dr. Roberts. A substantial cheque was received by the Board from the city for services in bacteria tests for water and other citizens are also keeping cows within the city limits, as was disclosed by the fire on Mill street some time ago.

Dr. J. F. L. Brown, and Sanitary Inspector Richard Walsh, communicated to the board their action in having the premises 140 St. Patrick street closed, as unfit for human habitation. Dr. William L. Ellis was commended his resignation as medical inspector to the board some time ago was reported by Chairman Kelly to have reconsidered his decision and with some amicable rearrangements will remain in his official capacity. The work of Dr. Ellis during the "dry" epidemic of the city was commended upon most favorably by the board, who expressed themselves as much pleased with his decision. The board were informed that the Commissioners of the Great Marsh had reported to the chief health officer of the province, Dr. G. G. Melvin, two property owners that section who were obstructing the creek with dumps which threatened to interfere with the free flowage and scour of the stream. The stream drains a wide area in the suburbs. George Blake explained the importance of the stream, affording as it did, drainage to the properties on the hills beyond the three Mile House as far as the Lake and in a northerly direction as far as Ashburn Lake and also the cemetery. Chairman Kelly stated that the board had jurisdiction over the stream for sanitary purposes, and instructed the secretary to co-operate with the Great Marsh Commissioners in notifying the offending owners that they must not interfere with the course of the stream. It was remarked that the meeting of the Great Marsh Commissioners on Tuesday night had been devoted to prevent a further deposit of sewage under the buildings located there. Secretary Burns conveyed the thanks of that board relative to the survey made by the Board of Health affecting the various school buildings of the city of the month of November. Light, ventilation and other facts. BOARD OF HEALTH. The report of the Victorian order of Nurses in the month of November and December was read. One hundred visits were made, and fifty new baby patients had been attended. Reference was made by the board to the admirable condition of the families of the city, they were very poorly housed and the recent cold snap had played havoc with the water pipes, and with the health conditions of the city. The meeting of having met representatives of societies interested in the financing of the Child Welfare Movement under the direction of the board. The board were very appreciative of the great work being done by the Victorian Order, they are providing the board access to much valuable information hitherto unobtainable. Similar matters came up before the board yesterday as they had previously been dealt with at a special meeting held to that purpose a few days ago. The board was pointed to a committee to wait on the Municipal Council next week in regard to health finances.

ST. JOHN'S LODGE INSTALLED OFFICERS

Large Attendance Last Evening—Twentieth Year Robert Clerke Was Installed Tyler—Turkey Dinner Enjoyed After the Meeting. There was a large attendance at the meeting and installation of officers of St. John's Lodge No. 2 F. and A. M. in the Masonic Temple last night. The officers were installed by Worshipful Master D. C. Clark, assisted by George D. Ellis, Director of Ceremonies, and were as follows: Roy L. Sappell—Worshipful Master, A. H. Stanton—Intermediate Past Master, C. D. Strong—Senior Warden, S. J. Parkhill—Junior Warden, Dr. H. S. Bridges—Chaplain, W. H. Smith—Treasurer, J. E. Cameron—Secretary, Guy Smith—Senior Deacon, J. Henderson—Junior Deacon, J. E. Cameron—Junior Deacon, J. C. Earle—Director of Ceremonies, William Townley—Inner Guard, T. C. Cochrane—Organist. Robert Clerke—Tyler. One of the features of the evening was the twentieth installation as Tyler of Worshipful Brother Robert

A man at sixty years of age is either a failure or a success. BECHAM'S PILLS have been made for sixty years and have the largest sale of any medicine in the world! Millions use BECHAM'S PILLS. Sold everywhere in boxes, 25c. 50c.

THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

What It Is and How It Increases Weight, Strength and Nerve Force in Two Weeks' Time in Many Instances SHOULD BE PRESCRIBED BY EVERY DOCTOR AND USED IN EVERY HOSPITAL Says Editor of "Physicians' Who's Who."

Take plain bitro-phosphate is the food element, bitro-phosphate quickly produces a welcome transformation in the appearance; the increase in weight frequently being astonishing. Clinical tests made in St. Catherine's Hospital, N. Y. C. showed that two patients gained in weight 23 and 27 pounds, respectively, through the administration of this organic phosphate; both patients claim they have not felt as strong and well for the past twenty years. This increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and loss of energy, which nearly always accompany excessive thinness, soon disappear, dull eyes become bright and pale cheeks glow with the bloom of perfect health. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body

cells with the necessary phosphoric food element, bitro-phosphate quickly produces a welcome transformation in the appearance; the increase in weight frequently being astonishing. Clinical tests made in St. Catherine's Hospital, N. Y. C. showed that two patients gained in weight 23 and 27 pounds, respectively, through the administration of this organic phosphate; both patients claim they have not felt as strong and well for the past twenty years. This increase in weight also carries with it a general improvement in the health. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as bitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back. By feeding the nerves directly and by supplying the body

strength and nerve force and to enrich the blood. Joseph D. Harrigan, Former Visiting Specialist to North Eastern Dispensary, says: "Let those who are weak, thin, nervous, anemic, or run down, take a natural, unadulterated substance such as bitro-phosphate and you will soon see some astonishing results in the increase of nerve energy, strength of body and mind and power of endurance. Bitro-phosphate is made entirely of the organic phosphate compound referred to in the National Standard Dispensary as being an excellent tonic and nerve and a preparation which has recently acquired considerable reputation in the treatment of neurasthenia. The standard of excellence, strength and purity of its substance is beyond question, for every Bitro-phosphate tablet is manufactured in strict accordance with the U. S. Pharmacopoeia test requirements. Bitro-phosphate is therefore not a patient medicine and should not be confused with any of the secret nostrums, so-called tonics or widely advertised "cure-alls." CAUTION—Although Bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, owing to its remarkable flesh growing properties it should not be used by anyone who does not desire to put on flesh.

DIED.

STENTIFORD—In this city, on January 5, 1920, at his late residence, 93 Paradise Row, Joseph B. Stentiford, leaving besides his wife, one son and five daughters to mourn. Funeral on Wednesday at 8:30 a. m. from his late residence to Holy Trinity Church for high mass of requiem.

SMITH—In this city on Monday, 5th inst., Elsha Smith, in his 76th year. Five daughters, four sons and wife survive. Funeral on Wednesday, 7th inst., at 3 p. m., from the residence of his daughter, Mrs. R. C. Gilmour, 301 Union street.

STURDINESS

strength and nerve force and to enrich the blood. Joseph D. Harrigan, Former Visiting Specialist to North Eastern Dispensary, says: "Let those who are weak, thin, nervous, anemic, or run down, take a natural, unadulterated substance such as bitro-phosphate and you will soon see some astonishing results in the increase of nerve energy, strength of body and mind and power of endurance. Bitro-phosphate is made entirely of the organic phosphate compound referred to in the National Standard Dispensary as being an excellent tonic and nerve and a preparation which has recently acquired considerable reputation in the treatment of neurasthenia. The standard of excellence, strength and purity of its substance is beyond question, for every Bitro-phosphate tablet is manufactured in strict accordance with the U. S. Pharmacopoeia test requirements. Bitro-phosphate is therefore not a patient medicine and should not be confused with any of the secret nostrums, so-called tonics or widely advertised "cure-alls." CAUTION—Although Bitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, owing to its remarkable flesh growing properties it should not be used by anyone who does not desire to put on flesh.

DIED.
