Invitation and Tract Committee :

Norman McLeod, Chairman. This Committee has rendered effective service in the distribution of tracts on the barges, at the foot of the Locks, Queen's Wharf, and along the wharfs; also in the Parks and livery stables. Invitations to the meetings were distributed at the hotels. The Committee is indebted to the Upper Canada Tract Society, the Evangelical Tract Society, and to Mr. Bell Dawson, M.A., for contributions of Tracts. The death of Albert Mulligan, a devoted worker, is much regretted by the members of this Committee.

Reception Committee :

Geo. Barwell, Chairman. The moonlight excursion in June last, the farewell social tendered to Mr. Fedarb, the New Year's Reception, the reception to the delegates to the Brockville Convention, and the Annual Social for the Bible Classes were well looked after by this Committee. The importance of the work which this Committee may do, even apart from the attention given to such social functions as have been enumerated, can scarcely be overestimated.

Physical Culture Committee :

R. H. Campbell, Chairman ; S. J. Willoughby, Secretary. The work of splendidly conducted and well attended classes was brought to a fitting close in the Gymnasium Exhibition, held in Harmony Hall in April, under the distinguished patronage of His Excellency Lord Minto, Governor-General of Canada. The Snowshoe Club was conducted with success, and the new swimming bath has been very popular.
