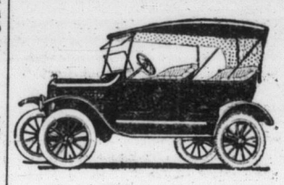
CENTRAL GARAGE

THE QUESTION OF DEPRECIATION

YOU cannot afford to overlook the question of depreciation when buying a car, because the time will come when you will either sell the car you have bought or turn it on a new car. The loss you will have to take will depend on your choice now.



Ask the owner of any car purchased within the last 15 months, at a price varying from $2,000 to $4,000, what loss he would have to take on a resale. The amount will surprise you!

The more expensive the car the more the owner stands to lose. Excessive cost of upkeep kills the demand for a used car of this class.

Buy a Ford. It costs so little to run, and repairs and replacements for worn parts can be so easily obtained at low cost that the demand for used Ford cars reduces depreciation to the minimum.

DISTRICT AND GENERAL

Twenty-one drillers will leave Petrolea this month for the oil fields of Mesopotamia.

Mr. and Mrs. John McGill of East Aldborough celebrated the fiftieth anniversary of their wedding on Monday.

John D. Noble, for more than half a century a prominent resident and oil operator at Petrolea, died on March 2nd, in his 87th year.

Mr. and Mrs. John A. McKenzie, pioneer settlers at Alvinston, completed fifty years residence in that village on the first of March.

The town of Petrolea and the north half of Enniskillen township will erect a joint monument in the oil town in honor of their soldier dead.

The auditors' report of the hydro-electric system of Watford shows a net surplus for 1921 of $1,299.63, about $82 less than the preceding year.

According to the Jewish Year-book for 1920 there are now fifteen million Jews in the world. In the time of Christ there were about one-third as many.

Two 12-year-old girls at Golden, Colo., after seeing a wild west movie, stole two horses tied outside the theatre and started for the cattle country.

The musical comedy "The New Minister" will be presented at Petrolea under the auspices of the Presbyterian Young People's Society in that town.

The death occurred at the family residence, lot 5, con. 1, Metcalfe, on March 5th, of Selena Ann Foster, widow of the late George Foster, in her 89th year.

In 1879 a San Jose, Cal., man accepted a loan of $100 at 10 per cent. compound interest monthly. Now the court has figured out that he owes $304,840,332,912,685.16, and that the debt is legal.

Thieves at St. Thomas broke through the roof of a Grand Trunk freight car and took out 12 cases of liquor which was en transit through Ontario. They succeeded in getting away with several of the cases before discovery was made.

The death occurred rather unexpectedly at her home in Mosa township, near Shields, of Mrs. George F. Anderson. She is survived by her husband, two daughters and four sons. The remains were taken to London for interment.

A Kansas man has appealed to the state superintendent of insurance for aid in collecting collision insurance on his automobile. In his complaint he states that he had painted his automobile red, that a bull had attacked it and that the insurance company had refused to even consider his claim.

A beggar named Dan Mackenzie died in a rooming house at Montreal at the age of 65 years. A short time before he expired the old man stated that he had been Canada's official hangman at one time. He attributed his misfortune and miserable life to the fact that nobody would have anything to do with him because of this.

Two ladies have been elected to the Pembroke Board of Education. It is in the nature of things that women should take a greater interest in schools than the average run of men, while for looking after some phases of school work, keeping in touch with the problems of teachers and the general welfare of the children, they are peculiarly fitted.

This year the Dominion Sugar Company will inaugurate a new system whereby the rate to be paid for sugar beets will be on a sugar content basis. During the shipping season a laboratory will be established at each shipping point. Four beets will be taken from each load delivered, and after being tested at the laboratory the grower will be paid according to the sugar content.

The untimely death of Mrs. Wm. Jardine of Enniskillen township occurred on Sunday in the Sarnia hospital, following an operation for the removal of her tonsils, at the early age of 26 years. Mrs. Jardine's maiden name was Mary Elizabeth Hartley, daughter of Mr. and Mrs. Thos. Hartley of Inwood. She was born in Enniskillen township, and was married to Mr. Jardine in June, 1920.

The salary of the Prime Minister of Canada is $15,000, and the Premier of Ontario gets $9,000. Members of the House of Commons receive $4,000 per session, provided the session extends beyond 50 days, and that the members attend at least three-quarters of the days on which the House sits. The sessional indemnity in Ontario is $1,400, if the session extends beyond 30 days. If not, the members' indemnity is $20 a day for each day's attendance.

The cucumber pickling station in Dutton will not be in operation the coming season, according to instructions issued by the owners, Libby, McNeil & Libby. This will apply not only to this district, but to other places where similar industries have been established. The reason given is the falling off in demand for pickled goods and the over-supply of cucumbers yet on hand. At Chatham alone there are, it is stated, 2,000 barrels of the crop of 1920 yet in storage, while all of the large crop of 1921 is yet in the vats at the different stations. It is claimed by the company that there is no demand whatever for pickled cucumbers. The taste of the public has evidently changed to some other condiment.

CANADIANIZING THE FOREIGNER

Principal Theme of Church and Community Conference at Glencoe

Those present at the Church and Community Conference held in the Glencoe Presbyterian church on Thursday, March 9th, report a successful convention. Delegates were present from Appin, North Ekfrid, Tait's Corners, Newbury, Wardsville and Kilmartin in addition to those from the Glencoe church.

Rev. Colin Young, D.D., Superintendent of Presbyterian Missions to Non-Anglo-Saxons in Canada, spoke at both afternoon and evening meetings. He stated that one in every seven persons in Canada is of non-Anglo-Saxon birth and that the presence of this large foreign element in our population is one of Canada's greatest problems at the present time. Nearly 75 per cent. of these non-Anglo-Saxon people in Canada have no church connection with any denomination, and until this condition has been improved the Canadianization of the foreigner in Canada will be incomplete.

Dr. Young inspired the convention with the thought that God's hand has been in these large migrations to our shores. Has He chosen Canada as His instrument in solving the problem of international brotherhood? In our land we have 60 nations laying upon the altar of this country their character, their training and their past—to mingle them with ours.

At the evening meeting the speaker dealt with the work which the Presbyterian Church is carrying on to Canadianize and Christianize the foreigner in Canada. He left the impression that while much remains, the success so far has been encouraging.

Short addresses were given by Mr. Atkinson of Wardsville, Mr. Parnall of Newbury, Lachlan Leitch of Kilmartin, Alex. McAlpine of Glencoe, Rev. D. G. Paton and Rev. D. Robertson.

At the evening meeting resolutions aiming at greater efficiency in church work were adopted and commended to the attention of churches in this section of London Presbytery.

The ladies of the Glencoe church provided hospitality to the convention by a supper in the lecture room.

RUSSIAN FAMINE FUND

The Transcript acknowledges receipt of the following donations for the Russian famine fund:

Previously acknowledged	$ 5.00
Miss Grace McLachlan	2.00

Mrs. Geo. Innes	1.00
Alex. McAlpine, jr.	1.00
R. B. McKellar	1.50
Total	$17.50

DEATH AT THAMESVILLE

Thamesville, March 15.—After an illness of only a week's duration Ethel, wife of Orville Secord, passed away Sunday evening at 10 o'clock. The late Mrs. Secord contracted a heavy cold last week, which turned to pleuro-pneumonia, and from the first very little hope was held out for her recovery.

Deceased leaves her husband and a son 14 months old, also her mother, Mrs. Evans, and four sisters, Mrs. Fred Martin of Oxford, Mrs. Gifford of Dawn Mills, Mrs. Watson of Camden township and Miss Wanless Evans of London.

The funeral took place Tuesday afternoon, with service in the Methodist church and interment in Mayhew cemetery.

THE LATE MRS. McVICAR

The death of Mrs. Barbara McVicar, a pioneer resident of Mosa, occurred on Wednesday, March 1st, at the residence of her son Malcolm, on north half lot 10, 6th concession, the old homestead, where she lived at the time of her marriage. The funeral was held to Kilmartin cemetery on Saturday, March 4, service being conducted by Rev. Mr. Murray of Rodney and Rev. D. Robertson of Burns' church, Mosa.

Mrs. McVicar was a daughter of the late Archibald and Janet Munroe, who moved from the Scotch settlement in Aldborough and settled on the south half of lot 1, concession 7, Mosa, in 1829. Mrs. McVicar was born in 1833 and was married to Donald McVicar of Mosa in 1857. A family of eleven children was born to them, of whom nine survive, as follows:—Archie, John, Malcolm and Nevin, all of Mosa; Betsy (Mrs. Dan McIntyre), Appin; Jane (Mrs. Arch. Campbell), Bad Axe, Mich.; Catharine (Mrs. George McIntyre), Alberta; Mary (Mrs. John Sheppard), Moore township, and Barbara (Mrs D. J. Mitchell), Mosa. Her husband predeceased her eight years.

In religion she was a Disciple Baptist, joining the church at the age of eighteen.

ST. JOHN'S CHURCH

On St. Patrick's night, the 17th of March, in the basement of the church, under the auspices of the A. Y. P. A. and the choir, a concert and social will be given. Good program. Reserve this date. Adults, 25c; children, 10c

The test well being drilled at Arkona is down 2,300 feet and neither oil nor gas has been encountered.

Nature intended that you should eat what you want. You can do it if you take Tanlac.—P. E. Lumley.

DEATH BY DRUGS OR CIDER

At the inquest conducted by Dr. Woods, Middlesex coroner, at Glencoe on Friday afternoon, the jury found that Charles (Happy) Rolph came to his death either by excessive drinking of hard cider or by the use of drugs. The jurors considered his companions negligent in not investigating his condition earlier.

The post mortem examination of the remains made by Drs. Glenn and McIntyre showed that between 200 and 300 punctures were made by hypodermic needles.

Constable John Henry testified that he found in the pockets of deceased a razor, pipe, hypodermic syringe and needle, an extra needle and three packages of a white powder.

John Rolph of Woodstock, father of the dead man, identified the remains as those of his son.

Charles E. Maloney and Frank Newn of London, companions of deceased on the night on which he died, repeated their story told to the coroner at the preliminary investigation as to the three of them having been drinking heavily of hard cider at the house of John Riley in London, and also as to their trip to Bothwell afterwards in a motor car in which deceased was found dead.

John Riley of London corroborated the testimony of Maloney and Newn as to the cider drinking at his house, and also stated that Rolph at supper time ate a whole can of lobsters and part of another one.

John A. Johnston and Wm. McMaster of Bothwell corroborated the story of Maloney and Newn as to their stopping at a stable at Bothwell at an early hour on the morning deceased was found dead.

BOARD OF TRADE

The annual meeting of the Glencoe Board of Trade was held on Friday evening at the town hall, with a fairly good attendance. A statement of the finances of the board was presented by the secretary-treasurer, and was as follows:—Balance forward April 29, 1921, $66.14; membership fees, $27; collected for Premier Drury banquet, $57, making total receipts $150.14. Payments—For Drury banquet, $69.02; livery hire to Ridgetown re pavement, $10.02; J. M. McGregor, for surveying road re provincial highway, $20—total $99.04, leaving a balance on hand of $51.10.

Last year's officers were re-elected as follows:—J. N. Currie, president; Dr. Mumford, vice-president; Gordon Dickson, secretary-treasurer.

The meeting then discussed at length a proposition to establish a Carnegie library. After an interesting exchange of views on the subject the meeting passed a motion that the board go on record as favoring steps being taken by the proper authorities with a view to building a Carnegie library, and that proper explanation of the library plan be placed in the Transcript.

SCHOOL REPORTS

S. S. No. 4, Metcalfe

Report for February. Names arranged in order of merit. Those marked with an asterisk were absent for part of examination.

IV.—Jean Munroe, James Graham, John H. Walker, John D. McCallum, Ernest Walker.

III.—Mary McRae, Mary DeWilde, Janet McCallum, Anna McDougall, Colin C. Walker.

II.—Neil Walker.

I.—Meryl Munroe, Charles Giles, Stewart Walker, *Lorne McDougall.

Primer.—Herbert Giles, Douglas Campbell.

I. L. McAlpine, Teacher.

Windsor Paper Makes Correction

The Border Cities Star says:—In our issue of February 17 a news item appeared under the caption, "Guest of honor ends party in police cell." In this item the name of Lloyd Farrell, a young bank clerk of Glencoe, appeared, and it referred to a party of young people, said to have been given at Dresden, at which liquor was said to have been passed. Informations were laid as a consequence and two persons were brought before the police magistrate at Chatham. The cases were dismissed and no fine imposed, nor was anyone placed in jail. The item came to the paper in the usual routine of news gathering, and, although the item itself does not in any sense imply that anyone was placed in confinement, the heading alone might bear that interpretation, but when read with the body of the article, if fairly interpreted, it would only appear to be a somewhat loose statement that the matter had landed in the police court. Mr. Farrell complains of the heading and we quite readily publish a statement that Mr. Farrell was not placed in jail and that no offence of any kind was proved against him, and we are sorry if this has caused him any annoyance.

From coast to coast Tanlac is known and honored and millions have taken it and pronounced it the greatest medicine of all times.—P. E. Lumley.

NOTICE.—All accounts owing the Fletcher Mfg. Co. not paid on or before the 1st day of April, 1922, will be placed in other hands for collection. The Fletcher Co. pay cash and demand cash, and in future all work must be settled for before leaving shop. We repair only as an accommodation, and must demand cash. Bring the money or stay away.—The Fletcher Mfg. Co.

WAS PROMINENT CONTRACTOR

The Late John A. Watterworth Built Some of Duluth's Finest Buildings

Noting the death of the late John A. Watterworth, a native of Mosa township, which occurred recently at his winter home in Deland, Florida, a Duluth newspaper says:—Mr. Watterworth was born in Middlesex, Ont., sixty-six years ago and early in life went to the Canadian Northwest where he engaged in construction work for the government for almost three years, then going into the Rockies exploiting and cruising for pine. Later he returned to Manitoba, in 1877, and formed the partnership with Henry Fee that has lasted ever since, embarking in business in Emerson, Man. In 1884 they came to Duluth to enter the contracting business here and have constructed many of the best buildings in the city, among them the Duluth central high school and several business buildings on Superior and First streets, some of which they own.

The firm has been inactive for several years, both partners virtually retiring, but maintaining an office in the city. During recent years Mr. Watterworth has taken an active interest in the Home Demonstration Bureau, and ever since its establishment here has aided it in every way, among other things inventing various household appliances for the convenience and help of housewives, of which he has given the bureau the benefit. Following the forest fires of 1918, he was one of the most active in relief work, not only in person but financially, and did remarkable service during that trying period.

Mr. Watterworth was a member of Palestine Lodge, No. 79, A. F. & A. M., and of the Scottish Rite bodies and Aad Temple, Nobles of the Mystic Shrine. He was a member of the Chamber of Commerce and was actively interested in the Duluth Y. M. C. A.

Mr. Watterworth is survived by his wife, who was with him in Florida, and one son, Earl J. Watterworth, and one daughter, Mrs. W. Sumner Covey, both of whom are in Duluth.

G. H. S. NOTES

The regular meeting of the literary society was held March 10th. The program was in charge of the girls. The vice-president, Helen Gillies, occupied the chair. Catherine Stuart gave the secretary's report. The musical part of the program consisted of an instrumental duet by Catherine Lawrence and Elva Sutton and an instrumental solo by Eleanor Sutherland. The pupils all took part in a musical contest. A selection was played on the piano, the name of which answered some question. Pearl Robinson and Vesta Gast were the winners. Mrs. Yorke gave an address on "Education," which was very much appreciated by the pupils. Jean McEachren read "The Oracle." Jessie Currie gave the critic's report.

Last week First Form organized a literary society under the name of "The Wide-awakes." The form paper will be called "The First Form Breeze." Officers were elected as follows:—President, William Trestain; vice-president, Anna McRae; secretary-treasurer, Sherman McAlpine; editor of paper, William Moss; sub-editor, Mabel Wright; reporter, William Anderson; pianist, Eleanor Sutherland.

METCALFE COUNCIL

Meeting of Metcalfe council held March 6th. Members all present. Minutes read, approved and signed.

Moved by Woods and Bennett that Municipal World be paid $13.85, dog tags and supplies; Age, $30, printing auditors' reports, and $12, by-laws, Moore-Munroe drain; H. Thompson, $2, serving by-laws, Moore-Munroe drain.

Moved by McNaughton and Blain that the council adjourn and meet as a court of revision on Moore-Munroe drain, and that the reeve act as chairman.

The appeal of H. F. Munroe was heard, Mr. Munroe claiming he was assessed for land which was draining to another drain. The court adjourned without taking any action, and will meet again on March 20 to further consider the appeal.

On motion of Blain and Woods the council proceeded with general business.

The request of the Women's Institute for the free use of the hall on the evening of March 17 was granted.

C. Beer was paid $11.25 for 1 7-8 cords of wood for the hall.

Moved by Bennett and Blain that the expenditure in any division is not to exceed $800 for road maintenance.

Moved by McNaughton and Bennett that the township pay 50c per hour for man and team and 25c per hour for man for township work.

Moved by Woods and Bennett that H. Thompson receive $10 and C. C. Henry $5, preparing statement of township expenditure for the department of public highways for 1921.

Council adjourned to Monday, April 3rd, at 1 p.m.

Harry Thompson, Clerk.

DANCE AT CRINAN

Crinan, March 10.—A very successful and enjoyable dance, put on under the auspices of the Agenda Club of Crinan, took place in the hall on Thursday night. Music was supplied by McPherson's orchestra of Campbellton. The proceeds of the dance amounted to about $30.

Try a little advertising!
