

To sail into *Little St. Laurence* you must keep the West Shore on Board, in order to avoid a funken Rock which lies a little without the Point of the *Peninsula*, which stretches off from the East-side of the Harbour: You anchor above this *Peninsula*, (which covers you from the Sea Winds) in 3 and 4 Fathom Water, a fine sandy Bottom. In these Harbours are good Fishing Conveniencies, and Plenty of Wood and Water. Ships may anchor without the *Peninsula* in 12 Fathom good Ground, but open to the S. S. E. Winds.

Sauker-Head.

*Sauker-Head* lies 3 Miles to the Eastward of Cape *Chapeaurouge*; it is a pretty high round Point, off which lie some funken Rocks, about a Cable's Length from the Shore.

Garden Bank.

This Bank, whereon is from 7 to 17 Fathom Water, lies about half a mile off from *Little St. Laurence*, with *Blue Beach Point* on with the East Point of *Great St. Laurence*.

Ferryland-Head.

*Ferryland-Head* lies S. W. 1 Mile from Cape *Chapeaurouge*; it is a high rocky Island, just separated from the Main: It and Cape *Chapeaurouge* are sufficient Marks to know the Harbours of *St. Laurence*.

Bay of Laun.

West 5 Miles from *Ferryland-Head*, lies the Bay of *Laun*, in the Bottom of which are two small Inlets, called *Great* and *Little Laun*. *Little Laun*, which is the Eastermost, lies open to the S. W. Winds, which generally prevails upon this Coast; and therefore no Place to anchor in. *Great Laun* lies in about N. by E. 2 Miles, is near half a Mile wide, whereon is from 14 to 3 Fathom Water. To sail into it, you must be careful to avoid a funken Rock, which lies about a quarter of a Mile off from the East Point. The best Place to anchor is on the East-side, about half a Mile from the Head, in 6 and 5 Fathom; the Bottom is pretty good, and you are sheltered from all Winds, except S. and S. by W. which blow right in, and cause a great Swell. At the Head of this Place is a Bar Harbour, into which Boats can go at half Tide; with Conveniences for a Fishery, and Plenty of Wood and Water.

Laun Islands.

Off the West Point of *Laun Bay* lay the Islands of the same Name, not far from the Shore; the Westermost and outermost of which lie W. Southerly 10 Miles from *Ferryland-Head*; near a quarter of a Mile to the Southward of this Island is a Rock whereon the Sea breaks in very bad weather: There are other funken Rocks about these Islands, but they are no Ways dangerous, being very near the Shore.

Taylor's Bay.

This Bay, which lies open to the Sea, lies 3 Miles to the Westward of *Laun* Islands. Off the East Point are some funken Rocks, near a quarter of a Mile from the Shore.

Point Aux-Gaul.

A little to the Westward of *Taylor's Bay*, there stretches out a low Point of Land, called *Point Aux Gaul*; off which lies a Rock above water, half a Mile from
