

THE CANADIAN NORTH-WEST. Homestead Regulations.

Any even numbered section of the Dominion Lands in Manitoba or the North-west Territories, excepting 8 and 26, which has not been homesteaded, or reserved to provide wood lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family, or any male over 18 years of age, to the extent of one-quarter section, of 160 acres, more or less.

ENTRY.
Entry may be made personally at the local land office for the district in which the land to be taken is situate; or if the homesteader desires he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the local agent for the district in which the land is situate, receive authority for some one to make entry for him. A fee of \$10 is charged for a homestead entry.

HOMESTEAD DUTIES.
A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act, and the amendments thereto, to perform the conditions connected therewith, under one of the following plans:—

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years. It is the practice of the Department to require a settler to bring 15 acres under cultivation, but if he prefers he may substitute stock; and 20 head of cattle, to be actually his own property, with buildings for their accommodation, will be accepted instead of the cultivation.

(2) If the father (or mother, if the father is deceased) of any person who is eligible to make a homestead entry under the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such a person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler was entitled to and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land.

The term "vicinity" used above is meant to indicate the same township, or an adjoining or cornering township.
A settler who avails himself of the provisions of clauses 2, 3 or 4 must cultivate 30 acres of his homestead, or substitute 30 head of stock, with buildings for their accommodation, and have besides 80 acres substantially fenced.

The privilege of a second entry is restricted by law to those settlers only who completed the duties upon their first homesteads to entitle them to patent on or before the 2nd June, 1889.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

APPLICATION FOR PATENT
Should be made at the end of three years, before the local Agent, Sub-Agent, or the Homestead Inspector. Before making application for patent, the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa of his intention to do so.

INFORMATION.

Newly arrived immigrants will receive, at the Immigration Office in Manitoba or the North-west Territories, information as to the lands that are open for entry; and from the officers in charge, free of expense, advice and assistance in securing lands to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion Lands in the Railway Belt in British Columbia, may be obtained upon application to the Secretary of the Department of the Interior, Ottawa; the Commissioner of Immigration, Winnipeg; Manitoba; or to any of the Dominion Lands Agents in Manitoba or the North-west Territories.

W. W. CORY,
Deputy Minister of the Interior.
N.B.—In addition to Free Grant Lands, to which the regulations above stated refer, thousands of acres of most desirable lands are available for lease or purchase from railroad and other corporations and private firms in Western Canada.

Boys and Girls

Nuggets.

Distrust that man who rails against any religion, sect or cult—he is a fanatic.

Trust not that man who believes he is right and all others are wrong—he lacks knowledge, honesty of thought, and wisdom.

Trust not that man who has one word to say against Jew, Christian, Heathen or Pagan—he is a prejudiced fanatic.

Trust not the pessimist, the whiner, the complainer, the grumbler, or the pernicious reformer—he lacks love and faith and God-force.

While thou dost not place trust in these men, do not condemn them—love them—they are eternal souls with undeveloped minds.

Be wise as a serpent and gentle as a dove.

Nature bids me love myself, and hate all that hurts me; reason bids me love my friend, and hate those that envy me; religion bids me love all and hate none, and overcome evil with good.

He that gives good advice builds with one hand; he that gives good counsel and example builds with the other; but he that gives good admonition and bad example, builds with one hand and pulls down with the other.

He that is wise will have somewhere in his heart a gratitude to God for the times when he was given the advantage of his failures. He who trusts God will remember this, and take heart in the day of his failures.

It is while you are patiently toiling at the little tasks of life that the meaning and shape of the great whole of life dawns upon you. It is while you are resisting little temptations that you are growing stronger.

You must be careful not to trust any other unnecessarily with a secret which it may be a hard matter for him to keep; there is as much responsibility in imparting your own secrets as in keeping those of your neighbor.

Do not think you can do anything worth doing in a fit of enthusiasm, but train yourself carefully to do any work that you are called on to do, and think nothing too small to do carefully, or for which to train carefully—that is, for the good of your fellow-man.

Great men stand like solitary towers in the city of God, and secret passages running deep beneath external nature give their thoughts intercourse with higher intelligences, which strengthens and consoles them, and of which the laborers on the surface do not even dream.

Our happiness must be the joy of others. It is impossible to feel joyful without those about us sharing it. Therefore it is our duty to cultivate happiness.

SUFFERED TORTURE FOR FOUR YEARS

Then Dodd's Kidney Pills Cured Wm. Doeg's Rheumatism.

He was so Bad that He Could not Lie Down but had to Sit Night and Day in a Chair.

Sundridge, Ont., Sept. 5.—(Special). Mr. William Doeg, of this place, now a hale hearty man, tells of his most miraculous cure of Rheumatism by using Dodd's Kidney Pills.

"For four years I suffered excruciating torture," says Mr. Doeg. "I was scarcely an hour free from pain. I could not lie down to take rest, but had to sit night and day in a chair."

"I was treated for Rheumatism by several doctors, and also tried several medicines without receiving any benefit. Almost in despair I feared I never again would be free from pain. Then I read of some remarkable cures by Dodd's Kidney Pills. I procured a box and soon found they were doing me good, and before I had finished the second box I was entirely free from pain, and a new man."

Dodd's Kidney Pills always cure Rheumatism by putting the Kidneys in shape to take the cause—Uric Acid—out of the blood.

CHATHAM FANNING MILL.
Capacity, 40 to 80 bushels per hour.

The Chatham Fanning Mill is the most perfect invention in existence for cleaning and grading seeds and grain. Its use on hundreds of thousands of farms in Canada and the United States and in all the grain-raising countries in the world proves its absolute merit. Capacity, 40 to 80 bushels per hour, and 16 screens supplied, which adapt it to every natural use. It cleans the grain and sorts it into all kinds and sizes and insures

PURE, PLUMP, HEALTHY SEEDS

absolutely free from weeds, a gain of fully 20% in the crops and a great reduction in labor. Bagging attachment will save labor of one man.

PRIZE AWARDS

at World's Fair, St. Louis; Pan-American, Buffalo; World's Fair, Paris, France; Toronto, Winnipeg, Halifax, Charleston, Savannah and Jacksonville.

Only One Example

Mr. O. E. Perkins, of Hallsport, N.Y., got \$550 more for 1,000 bushels of wheat than his neighbor did, by cleaning it with his Chatham Mill and selling it for pure seed at \$1.25 per bushel, against 70 cents per bushel which his neighbors received in the market.

Chatham Separator, for separating Oats from Wheat
illustrated above is indispensable to those who want to thoroughly separate oats from wheat. It is used for this purpose only, and is operated with practically no effort.

Guarantee for Five Years

Every Chatham Fanning Mill and Chatham Separator is guaranteed to give satisfaction for five years, and our easy payment system will enable either one to earn its cost many times over before the bill is fully paid.

We also sell the Chatham Incubator on very easy terms. Write now before you forget it: a post card will do.
