Rt. Hon. Arthur Meighen P.C.,  
Ottawa

Dear Mr. Meighen,

Please allow me to convey to you  
the expressions of my most sincere regrets on the  
misfortunes which have befallen you and our party  
in the Election, which to me seems inexplicable. You  
made a gallant fight and I can only think you have  
been badly used. My own hope is that you will  
not waver, but that you will stay with the guns  
and that every encouragement will be given you  
to do so, feeling confident that the better cause  
will in the end prevail and that you will yet  
get to that position which is yours by right.  
I would like to write you at some length, but,  
the time is not yet, but I hope I may have the  
pleasure of doing so at a more convenient time  
for you. In the meantime I move on with you and  
offer to you a few words of encouragement to stay  
with it for the cause of Empire.

With kind regards,

Believe me,

Yours sincerely,  
Alfred Hall.
