Rt. Hon. Arthur Meighen,  
50 King Street West,  
TORONTO 1, Ontario.

Dear Uncle Arthur:

A letter from Mary received this afternoon advises me that you are celebrating a birthday to-day. I am never too sure of your age but I know it is very close to my Father-in-law's age. He was born in 1875. I believe you are a year older. Like you he is still well. He has decided to retire from active Church work the end of this month.

Will you please receive the congratulations of Frances and myself on reaching this good age. We hope you are able to enjoy yourself and entertain others.

Our children are growing rapidly. Neil who has just completed Grade 8 in School is almost my height - 5'7". Alan who is completing Grade 7 has already handed me down his size 8 shoes and is wearing a man's size 9½. Janet is seven and is finishing her first year in School, a year she has greatly enjoyed. All are doing well. Neil is extremely interested in radio and Alan is found of music.

We expect to see Mary and family the first week in July for two or more days. Her letters never change so I presume she is happy and busy as is her custom.

Alan-Janet.

This with very kind regards from Frances-Neil-

*George*
