7th April 8.

Sir:

With reference to the rights of the sons of John Beer regarding which he has recently written me, I have to inform you that upon the occasion of a recent interview which Beer and his sons had with me the former informed me that his father was originally from Caughnawaga, being a member of the Iroquois Band at that point; that he married a St. Regis Indian woman, and after his marriage removed to and resided at St. Regis; that he
