Re: Speech from Throne:

C 203006

Complexion of.

Does not purport to be more than outline, nothing in detail.

Impression ^{is} of school of art.

View of press.

large program of public business

Extensive programme.

Emphasis placed on international relations.

Did not expect it would please Bracken.

If satisfies country, I am content.

Times and seasons for all things.

Post-war readjustments in world, etc.

Canada's part in world affairs.

International Conferences:

Native of Canadian delegation to U.N.O.

In London
New York
Conference at Paris

Part played by Canada.

The main thing is results.

Statement re Canada's participation in peace making with

what we are asking for is not an equal voice, but Germany.
an effective voice Emphasize Canada's contribution in the war.

Not surpassed by any country. - In blood;

contribution on ~~land~~ sea, road, in the air;

was brought to prevent domination of the world
by 2 nations; Object to dom. of few - making 4 powers,

raised out
