THE Publisher presents herewith the *Sixth Edition* of the QUEBEC DIRECTORY, and would, at the same time, tender his thanks for the generous and increasing appreciation of the work. The Directory for the present year will be found to contain information on all points of interest to business men, as well as a copious MISCELLANEOUS DIRECTORY. The STREET GUIDE also has been very carefully revised.

Expense has been a secondary consideration to producing the Directory as complete as possible. The diminution in circulation occasioned by the withdrawal of the Government from Quebec, will, it is fully believed, be more than covered by an enlarged city subscription ; and to render the book worthy this increased support, will be the earnest endeavor of the Publisher.
