Details of Time Match.

Each Competitor to come to the firing point with as many rounds of ammunition as he deems necessary, but with his rifle unloaded.

He will be allowed one minute to take the position in which he intends to fire.

He will load by word of command.

Loading must in all cases be from pouch or pocket.

Two minutes will be allowed him from the word of command "Present," which will not be given till the first loading is completed.

The Competitor will go on with the firing in his own time, after the first round, until the word "time" is called.

If he is about to fire and has not done so when the command is uttered, he must come to the "Ready Position,"—if he fires after the word "time" is called, he will be ruled out.
