

All the provinces with the exception of British Columbia were represented at the meeting.

The result of the competition in British Columbia for a place upon the Wimbledon Team for 1880 will be found in the appendix.

The names and scores of the successful competitors for the Silver and Bronze Medals presented by His Excellency the Governor General for competition by the several Provincial Associations, will also be found in the appendix.

The weather during the meeting was very much against good shooting, high winds and occasional showers of rain prevailing during the greater part of the time.

The marking was carried out by men selected principally from local corps of the Active Militia, under charge of Sergeant Major Conroy, G. G. Foot Guards, and on the whole proved satisfactory.

The meeting passed off without any accident occurring.
