The Committee beg to observe that the organization of the Society as above detailed, has been found to work well.

The Committee are happy to announce that during the past year His Excellency Sir John Harvey has consented to become the Patron of the Society.

The most important part of the labors of the Committee has been the effort to raise a sum of Two Thousand Pounds, as the nucleus of a permanent fund, and to meet the sum of Four Thousand Pounds which His Lordship the Bishop undertook to use his best exertions to raise.

They have succeeded in obtaining subscriptions, including the sum of Five Hundred Pounds contributed to the Cogswell Scholarship, to the amount of Two Thousand Three Hundred and Sixty Eight Pounds, Seventeen Shillings and Six Pence, of which One Thousand Six Hundred and Twenty Pounds have been paid into the Treasurer, part of which is invested at Six per cent, and the remainder at Three per cent. The Account of that Officer is herewith submitted.
