

Your Son's Future Welfare.

Reflect on it for a few moments. Half an Hour's *quiet* thought *right now* may mean all the difference in the world to him *later on*. No need to tell you that the *responsible* positions in the world's work demand college men in *ever-increasing* numbers. But—your *primary* consideration should be the conditions under which that education is acquired. Thousands of discerning parents have sent their sons to

WOODSTOCK COLLEGE

for reasons that cannot help being of *great* interest to you. This is not merely an intellectual gymnasium, but an institute of *mental, moral and physical* culture, vastly different from most colleges, and *better* for the student. Woodstock college is a *christian* home as well as an educational seminary of national importance. The curriculum is varied. The staff is composed of *university graduates* who are *practised* teachers. The situation and climate are both ideal. It's *your* duty to *study* the calendar of the Woodstock College before sending your boy to any. Address the principal for *full* particulars.
