

this Christ will "spit out of his mouth." It will also be "like salt that has lost its savor" and be "trodden under foot of men." The world despises a dead or disloyal church.

Members of weak churches, try one year of consecrated loyalty to Christ and your church. Make its interests supreme. Devote your time, work, money to saving it, and see if the dying vine does not revive, put forth anew, and bear fruit? Surely the Lord will approve your efforts.

Notes.

Rev. A. H. C. Morse has been supplying the Brussels Street Church, St. John, for several weeks, and his services have been highly appreciated among the people. Several have been added to the church, some by baptism and some by letter and experience. The brethren and sisters are coming up to duty. The meetings are interesting and inspiring, and the outlook for the future is encouraging.

Rev. J. D. Wetmore has resigned charge of the Hampton Station and adjoining churches to take charge of the Hartland and Rockland churches. The people at Hampton and the other churches he has been serving for the last three years are very loath to have him leave them, but their loss will be the Hartland and Rockland churches gain. Bro. Wetmore has done good work among the Hampton group.

Rev. H. F. Adams of Truro, N. S., preached two fine sermons in the Main Street Church on Sunday, the 6th. Mr. Adams and family are spending a few weeks at Fredericton, and will take in the Convention.

The church in Hopewell has extended a call to Rev. F. D. Davidson, of Elgin, to become pastor. It is thought that Bro. Davidson will accept.

Report says that the church at Havelock has given a call to Rev. George Howard of Mactaquac, York Co., to become their pastor, but it is not as yet known whether Bro. Howard will accept.

Lines

Written on hearing a sermon preached by Rev. J. D. Wetmore, at Hartland, Sunday evening, July 9th, from the text, "By Grace ye are Saved."

To-night we hear the joyful sound,
Heard in day that's past and years rolled round.

To all believers its the same
Proclaimed by Faith in Jesus name.

That lovely name of Him who died,
Forgave the thief hung by his side,
But now He reigns and rules above,
Still saves by Grace, redeems through Love.

I praise Him for that love bestowed,
Such love in Eden never grew.
Oh! if the world, it only knew,
It could not refrain but praise Him too.

Hallelujah, could I sound redemption's song
The world around,
His fame I'd spread from pole to pole, Jesus
lover of man's soul.

Personal.

Rev. B. W. Ward of Boston, is in the city, and is giving popular Bible readings in the different churches.

He will supply the Germain Street Baptist on Sunday 20th, in the absence of Pastor Gates, while he is attending the convention at Fredericton.

Rev. W. J. Stewart, D. D. of Canton, Ill. is on a vacation to the Province visiting his old friends. He supplied the Main Street Baptist Church to the delight of the people of his former charge. He looks hale and hearty after six years of Western life.

Rev. J. H. Hughes, of St. John, supplied the Upper Gageton Baptist Church last Sabbath with much acceptance.

News of The Churches.

ANDOVER. God has been very good to us. The services are well attended and numbers increasing. Adventism had died out, except in one home. Another denomination has managed to close the house at Grand Falls against the Baptists, but if we can get a place for service I purpose visiting the little church in that place.

R. W. Demmings.

NEWCASTLE, QUEENS CO., Ero. Gross has nicely settled in his field and a spirit of enthusiasm has taken hold of the people to work with him. Large congregations attend the ministry of the word; the Sabbath Schools are doing a good work also. Bro. Gross has some interesting outstations at Salmon Bay, Copeland's Corner, Hardwood Ridge and several other parts of the field. We shall doubtless have some good reports from these sections soon.

GLOUCESTER COUNTY. Bro. Patterson, General Missionary, writes: After leaving Queens County I went as requested to Bathurst. I found there a few Baptists; some of them enthusiastic workers, with others who are interested but not inclined to do much personal labor. They seem anxious to have work done there permanently. I found in Bathurst and vicinity eight Baptist Church members. There are several others who if a Church was formed would probably unite with us. At Belle Dune, twenty miles north, there are six Baptist families who worship in a church edifice of their own. The Campbellton pastor has been giving them a service every Wednesday evening.

Died.

WOOD.—The sad news of the death at sea of Captain Eugene E. Wood of Surrey, with all hands on board his vessel, has recently reached his sorrowing widow and relatives. He was forty one years of age, and is untimely torn from a dear wife and four little children. He found in Jesus saving grace in early life; and was baptized by Rev. W. T. Corey, and subsequently united with the church in Surrey, Hillsboro. He was beloved for his piety and consistent Christian life. A good neighbor, an affectionate husband and father, an industrious worker and bountiful provider it is suddenly torn from this little community. His removal from our midst will be heavily felt by all but especially by his wife and family, who have the sincere sympathy of all the village. It seems the fate of this church to lose its male membership. We have more widows on our church roll than any other church in the province. May the dear Father above grant sustaining grace to the sorrowing ones.

DOW.—Lottie A. Dow fell sweetly asleep in Jesus at her father's home at Canterbury, on July 6th. For six months she struggled with that fell disease—consumption—but meekly bowed to the divine mandate. She was a valued member of the Second Canterbury Church, and will be very much missed. A father and three brothers mourn for her, but not without hope. She has gone to join dear ones who have preceded her to the heavenly home.

GILDART.—At Forest Glen, on July 26th, Alexander Gildart, after a lengthened illness departed this life in the fifty-second year of his age. He has been for many years a member of the Pollitt River Church. He died in a strong faith in the merits of his death of Christ, only regretting that he had not been a more active Christian. His pastor preached an excellent sermon at the funeral.

STEVENS.—The death of Nehemiah Stevens of Albert Co., which occurred on the eighth of this month, removes one of the best citizens of this village. He had been ailing for several months and at last heart failure set in. He was 61 years of age and leaves a loving wife, who watched over him with affectionate attention during his sickness, and nothing that love could suggest or means supply was left out to minister comfort and help to him. His funeral was attended by a large procession, the services being conducted by Revs. Charles Coombs and Truman Bishop.
